

Haraway, “Teddy Bear Patriarchy”

1921: The Second International Conference on Eugenics
American Museum of Natural History (NYC)

“Eugenics and conservation were closely linked in philosophy and in personnel at the Museum, and they tied in closely with exhibition and research. For example, the white-supremacist author of “The Passing of the Great Race,” Madison Grant, was... a co-founded of the California Save-The-Redwoods-League, an activist for... national parks, and secretary of the New York Zoological Society”
