"She is far more precious than rubies; nothing you desire can compare with her."

Proverbs 3:15

Eva,
What a blessing it has been to watch you grow into the beautiful young woman you are today! You have brought us so much joy through your smiles, laughter, silliness, and loving heart. We are so proud of you and pray that you will continue to let your light shine in this next season of life. We look forward to seeing what the Lord has in store for your future.

Love you always,
Daddy, Momma,
Adelaide, Mary
Frances, and Frank

School Yearbook Kate Eichhorn, 2025-11-10 Why school yearbooks as frivolous and cringey as they are are far more than just objects of nostalgia We're all familiar with the embarrassment that washes over us when recalling our high school yearbooks Questionable fashion choices gravity defying hair a melodramatic quote what were we thinking Even as school yearbooks decline in popularity among contemporary teens they continue to impact our lives in shocking ways Collected digitized aggregated and recombined in ways that would have been impossible to imagine just a few decades ago yearbooks are no longer bound personal archives of adolescent memories In the twenty first century they are shaping our lives in surprising and sometimes disturbing ways And what could be a more fitting afterlife for these cringey books In School Yearbook cultural critic Kate Eichhorn investigates this ubiquitous object On the surface school yearbooks are easily dismissed as innocuous collections of embarrassing photographs and cheesy affirmations but as Eichhorn reveals there has never been anything innocent about the school yearbook tradition Since the early twentieth century yearbooks have circulated as forms of public relations propaganda and hate speech They have been routinely used by police detectives private investigators and even the FBI to identify and profile suspects With over half a million yearbooks now available online these books have also acquired the power to continue shaping our lives long after graduation Would be landlords employers and even creditors can now turn to data culled from their embarrassing pages to make judgments about who we are and what we merit In a digital era school yearbooks have acquired the ability to keep judging us in perpetuity Both timely and insightful School Yearbook explores how these books have always been used to rank and judge us **No Greater Love**
