**The Inner Journey** Osho,2023-03-12 I would like to talk about the first step for a meditator a seeker What is the first step A thinker or a lover follow certain paths but a seeker has to travel on a totally different journey For a seeker what is the first step on the journey The body is the first step for a seeker but no attention or thought has been given to it Not only at certain times but for thousands of years the body has been neglected The neglect is of two kinds Firstly there are the indulgent people who have neglected the body They have no experience of life other than eating drinking and wearing clothes They have neglected the body misused it foolishly wasted it they have ruined their instrument their veena If a musical instrument for example a veena is ruined music cannot arise out of it Music is an altogether different thing from the veena music is one thing the veena is another but without the veena music cannot arise

Journey through Exodus Mike Newberry,2023-03-27 In my years of studying the Bible I have found several spiritual principles to be very appealing I have read the promises about the possibility of being an overcomer In the seven letters of Revelation 2 and 3 one reoccurring thing is the promises to the overcomers If one thinks about it you can either be an overcomer or be overcome The choice is easy I would rather be an overcomer I have read the verses about the possibility of living life daily aided by heavenly wisdom Listen to James 1 5 If any of you lack wisdom let him ask of God that gives to all men liberally and upbraids not and it shall be given him I have often asked the church On any given day how often do we need the wisdom to make decisions and find needed direction To answer that question with one hundred would be conservative To add to wisdom we are told that we can tap into the heavenly supplies of strength energy power and patience According to James 1 5 God s not going to fuss at you if you keep coming back again and again asking for more The key to these and all the promises of the Bible are found in the discipline of a daily quiet time When I was in college with God s help I developed this discipline to attribute any spiritual success any success in my Christian life to the help I have found in this daily time with God and my Bible To remove any excuses I have written devotionals for my church We have started in chapter 1 verse 1 of a book in the Bible and have worked our way through it We have covered Genesis Exodus Philippians and Leviticus to mention a few and as long as God gives me strength we will continue The pages in this book contain our thoughts and our understanding of our journey through Exodus

Gamba, 2008-12-23 2ND PETER 1 19 And so we have the prophetic word confirmed which you do well to take heed as a light that shines in a dark place There is a Light at the end of the tunnel However there is also a Light through the tunnel that can shine in the hearts of our understanding which will guide us safely through the darkness of ignorance to a place of peace security and confidence Although some may promise many things in the name of science and technology there is only one light ray of hope for eternity Even as medical research strives to prolong life it is a short lived hope For as the sand in the hourglass pours through the narrow opening so our earthly lives pour through the opening of time because our time here is measured Whether we face this fact or not these bodies are destined to die However our spirits do not but will live in the light of mercy or in the darkness of error for eternity Our days here are short and our time to leave could be nearer than we think so we should listen to the words of eternal truth We can easily listen to all the other voices of those that stumble in the blindness of doubt or we can follow the true Light of all hope that is willing and able to take us home even through our darkness nights Two choices two roads with two different destinations but there is only one journey EPHESIANS 1 18 The eyes of your understanding being enlightened that you may know what is the hope of His calling **Knowing God through Journey and Pilgrimage** Seung Yeal Lee, 2011-04-01 The Hebrew Christian Scriptures include many allusions to pilgrimage customs and practices yet the information is scattered and requires a considerable amount of reconstruction It is posited that the pilgrimage paradigm including the journey motif has influenced the thought patterns of the writers of both the Old and New Testaments To follow Jesus journey to Jerusalem on the three feasts of pilgrimage in Luke Acts and John and their relevance to the way he revealed himself and taught his disciples this work begins with the creation and patriarchal narratives examining how the pilgrimage paradigm relates to discipleship Reviewing the history of the people of God including the Exodus the Exile and restoration this book establishes the significance of pilgrimage as a paradigm for Israel that eventually shapes Judaism Seung Y Lee points us to a neglected fact that the three feasts of pilgrimage have developed their own characters and meanings for the momentous events in the history of Israel and both Luke Acts and John reflect the significance of the pilgrimage paradigm for Jesus self understanding and his teaching Journey through Loss Grief Journal
