Living The Dream:

Living the Dream R. M. Singhose, 2012-05 Jim and Rose Singhose are no strangers to the road They've been riding Harley Davidsons for over forty years and they aren't even close to being finished In 2003 there was little need for discussion they would attend the one hundredth birthday celebration of their favorite bikes They would head to Milwaukee Wisconsin to celebrate with all the other Harley enthusiasts Of course there were bound to be some speed bumps along the way Living the Dream is book three in the Harley Woman series and it follows Jim and Rose for 13 000 miles from Oregon to Canada through Milwaukee and back again Along the way they make a spur of the moment decision to head to Prince Edward Island for what else lobster Later Rose gets stopped by suspicious customs officials who want to know what she's doing in Canada Some people might say it's crazy to spend so much time on the road For Rose there's never any trepidation about a ride on her Harley Instead of counting the miles away from home she's comfortable counting the states they cross Living the biker dream is filled with adventure the occasional nuisance and maybe some danger but for Rose it's all worth it to feel the wind in her face and freedom in her heart

Living the Dream Jim McArdle, 2009-03-01 Legendary broadcaster Jack Brickhouse once said any team can have a bad century He was joking of course but the Chicago Cubs franchise whose games he worked for decades entered 2008 on the brink of making his words come painfully true A number of expansion teams in the four major sports never have won a World Series Super Bowl Stanley Cup or NBA title in their brief histories But no team ever has gone 100 years without winning a championship Following the Cubs quest to avert that infamous distinction is the backdrop for Living the Dream which for author Jim McArdle it truly was McArdle a former Cubs employee as editor of the official team magazine Vine Line quit his job to devote himself completely to the 2008 Cubs season Thanks to clubhouse access generously offered by the team and an apartment located just beyond Wrigley's left field fence McArdle was uniquely positioned to compile this fascinating story
