Living Language Dothraki:

Living Language Dothraki David J. Peterson,2014 Living Language Dothraki brings the world of Game of Thrones to life with a conversational language course teaching Dothraki the language developed for the HBO series by language and culture consultant David J Peterson and first seen in George R R Martin s A Song of Ice and Fire series The 128 page coursebook features a step by step guide to pronunciation basic phrases easy to follow grammar explanation and examples extensive thematic vocabulary lists dialogue and exercises for reinforcement Living Language Dothraki also includes a one hour audio CD of essential phrases and vocabulary so that learners can speak Dothraki with confidence Additional notes about the language and the culture of the Dothraki people appear throughout the coursebook to give the language context **The Universal Translator** Yens Wahlgren,2021-02-02 If you think about it all languages are made up some are just more open about it than others In The Universal Translator Yens Wahlgren heads up an expedition through time space and multiple universes to explore the words that have built worlds From the classic constructed languages of Star Trek and Tolkien to literally Orwellian Newspeak and pop culture sensations such as Game of Thrones The Witcher and The Mandalorian this is your portal to over a hundred realms and lexicons and perhaps the starting point to creating your own **Revisiting Ethnolinguistic Vitality** Natasha E. Ravyse,2021-12-28 This book examines traditional theories of linguistic vitality in the context of subcultural languages It argues that traditional methods of investigating linguistic vitality are according to existing literature not as reliable as they appear and therefore limited in their testability The author looks at themes such as the relationships between language and culture ethnicity within the scope of sociolinguistics and the notion of ideolinguistic vitality where traditional views intersect with more contextually current ones She also highlights the importance of studying the nature and principles of subcultural languages which help better inform our understanding of the superdiverse linguistic world The volume makes a major contribution to modern sociolinguistics by offering a detailed account of developing a unique measuring instrument to gauge the vitality of subcultural languages which is applicable to more than just subcultural linguistics An indispensable text in the study of ethnolinguistic vitality the book will be of interest to students and researchers of sociolinguistics applied linguistics identity theory philology language and literature cultural studies and postcolonial studies **The Art of Language Invention** David J. Peterson,2015-09-29 An insider s tour through the construction of invented languages from the bestselling author and creator of languages for Legendary s Dune the HBO series Game of Thrones and the Syfy series Defiance From master language creator David J Peterson comes a creative guide to language construction for sci fi and fantasy fans writers game creators and language lovers Peterson offers a captivating overview of language creation covering its history from Tolkien s creations and Klingon to today s thriving global community of conlangers He provides the essential tools necessary for inventing and evolving new languages using examples from a variety of languages including his own creations punctuated with references to everything from Star Wars to Janelle Mon e

Along the way behind the scenes stories lift the curtain on how he built languages like Dothraki for HBO s Game of Thrones and Shiv isith for Marvel s Thor The Dark World and an included phrasebook will start fans speaking Peterson s constructed languages The Art of Language Invention is an inside look at a fascinating culture and an engaging entry into a flourishing art form and it might be the most fun you ll ever have with linguistics The Art of Language Invention includes a new chapter on phrases specifically word order negation question formation pragmatic concerns relativization and subordination providing a complete introduction to language creation and linguistics Invented languages featured in the book now include Chakobsa from Legendary s Dune Trigedasleng or Grounder from The 100 M n sh language from Motherland Fort Salem and Ravkan from the Netflix series Shadow and Bone **Living Language Dothraki.
