Long Way Gone Double Entry Journal:

Young Adult Literature and the Digital World Jennifer S. Dail, Shelbie Witte, Steven T. Bickmore, 2018-04-26 This book considers the practical intersection between digital media and young adult texts. In these books, teachers and teacher educators offer practical examples for engaging students with crafting critical responses to young adult literature through digital spaces. It examines how teachers can use these spaces to help students encounter, evaluate, and engage in the world in which they live. Young adult literature offers a vehicle through which students can discuss and explore the world in a more removed manner, while digital media offers a paradigm for helping students craft multimodal responses that extend beyond the traditional literary essay. This intersection asks teachers to consider how they are asking students to interact with the texts they read. It asks them to invite students to enter and contribute to broader conversations through the production of their own texts. This book illustrates pedagogical principles in practice, showing what is possible in literature study in classrooms.

Journal of Accountancy, 1922 The North American Journals of Prince Maximilian of Wied Prince Alexander Philipp Maximilian of Wied, 2014-04-09 Few historical chronicles are as informative and eloquent as the journals written by Prince Maximilian of Wied as a record of his journey into the North American interior in 1833-34 following the route Lewis and Clark had taken almost thirty years earlier. In this third and final volume, Maximilian vividly narrates his extended stay at Fort Clark near today's Bismarck, North Dakota, and his return journey eastward across America and on to his home in Germany. This handsome oversize volume not only reproduces the prince's historic document but also features every one of his illustrations, nearly 100 in all, including several in color from the original journal along with other watercolors now housed at Joslyn Art Museum in Omaha, Nebraska. This book is published with the assistance of the National Historical Publications and Records Commission.
