A Topographical List of the Inscriptions of the Madras Presidency, Collected Till 1915 Vijayaraghava Rangacharya, 1919

*A Great Country* Shilpi Somaya Gowda, 2024-03-26 AN INSTANT 1 NATIONAL BESTSELLER AN INDIGO BEST FICTION BOOK OF 2024 A CHATELAINE BEST BOOK OF SPRING 2024 From the New York Times bestselling author a novel in the tradition of Celeste Ng's *Little Fires Everywhere* exploring the ties and fractures of a close knit Indian American family in the aftermath of a violent encounter with the police Pacific Hills California Gated communities ocean views well tended lawns serene pools and now the new home of the Shah family For the Shah parents who came to America twenty years earlier with little more than an education and their new marriage this move represents the culmination of years of hard work and dreaming For their children born and raised in America success is not so simple For the most part these differences among the five members of the Shah family are minor irritants arguments between parents and children older and younger siblings But one Saturday night the twelve year old son is arrested The fallout from that event will shake each family member's perception of themselves as individuals as community members as Americans and will lead each to consider how do we define success At what cost comes ambition And what is our role and responsibility in the cultural mosaic of modern America For readers of *The Vanishing Half* by Brit Bennett and *Such a Fun Age* by Kiley Reid *A Great Country* explores themes of immigration generational conflict social class and privilege as it reconsiders the myth of the model minority and questions the price of the American dream

**and Society in Early Medieval India** Anjali Verma, 2018-07-16 This book examines women and society in India during 600-1200 CE through epigraphs. It offers an analysis of inscriptional data at the pan India level to explore key themes including early marriage deprivation of girls from education property rights widowhood and sati as well as women in administration and positions of power. The volume also traces gender roles and agency across religions such as Hinduism and Jainism the major religions of the times and sheds light on a range of political social economic and religious dimensions. A panoramic critique of contradictions and conformity between inscriptional and literary sources including pieces of archaeological evidence against traditional views on patriarchal stereotypes as also regional parities and disparities the book presents an original understanding of women's status in early medieval South Asian society. Rich in archival material this book will be useful to scholars and researchers of ancient and medieval Indian history social history archaeology epigraphy sociology cultural studies gender studies and South Asian studies
