Louis Guilloux: Ear-witness Walter Redfern, 2023-12-28 This is the first truly comprehensive study in any language of the writings of Louis Guilloux It embraces all his fiction including his short stories to which little or no attention has previously been paid The title refers to Guilloux's lifelong stance as an empathetic witness and listener to the lives of other people who lifts anecdotes to the level of social and psychological life studies Highly valued by writers such as Malraux and Camus Guilloux's work is studied here under several key categories which represent overlaps and tensions rather than bleak opposites memory and forgetfulness the shifting relationship of individual and community roots stasis and escape movement Guilloux and committed literature La Maison du Peuple Les Batailles perdues and the trip to the USSR with Gide and Dabit A long chapter is devoted to a close reading of Guilloux's baroque masterpiece Le Sang noir a much richer and less cerebral epic of an intellectual enmeshed in a provincial society than its successor Sartre's La Nause Detailed attention is given to Guilloux's recycling of the model for the heroic Cripple the rogue elephant thinker Georges Palante Le Sang noir is a haunted book Guilloux's experiments with chronological dislocation Le Jeu de patience with narrative voices essais de voix Coco perdu with multiple personality La Confrontation and with the ambiguous pseudo science of physiognomy passim are all fully analysed Throughout wherever called for the culturally cosmopolitan Guilloux is compared or contrasted

with writers from various countries Dostoevsky Tolstoy Gorky Silone Dickens Vall s Camus and Sartre This is a matter less of influence than of Guilloux s choice of companions **Evasions** Collectif,2020-10-05 28 Nouvelles 23 contributeurs 2
