television drama animation and on line media **Journal of Japanese Trade & Industry** ,2001 Transnational Convergence of East Asian Pop Culture Seok-Kyeong Hong,Dal Yong Jin,2021-03-08 This book observes and analyzes transnational interactions of East Asian pop culture and current cultural practices comparing them to the production and consumption of Western popular culture and providing a theoretical discussion regarding the specific paradigm of East Asian pop culture Drawing on innovative theoretical perspectives and grounded empirical research an international team of authors consider the history of transnational flows within pop culture and then systematically address pop culture digital technologies and the media industry Chapters cover the Hallyu or Korean Wave phenomenon as well as Japanese and Chinese cultural industries Throughout the book the authors address the convergence of the once separated practical industrial and business aspects of popular culture under the influence of digital culture They further coherently synthesize a vast collection of research to examine the specific realities and practices of consumers that exist beyond regional boundaries shared cultural identities and historical constructs This book will be of interest to academic researchers undergraduates and graduate students of Asian media media studies communication studies cultural studies transcultural communication or sociology Korea Policy Review ,2008 *Identity Politics and Popular Culture in Taiwan* Hsin-I Sydney Yueh,2016-12-07 In the past two decades a uniform representation of cutified femininity prevails in the Taiwanese media evidenced by the shift of Taiwan s popular cultural taste from a Chinese centered tradition to a mixed absorption from neighboring cultural capitals in the global market This book argues that the native term sajjiao is the key to understand the phenomenon Originally referring to a set of persuasive tactics through imitating a spoiled child s gestures and ways of speaking to get attention or material goods sajjiao is commonly understood to be women s weapon to manipulate men in the Mandarin speaking communities By re interpreting sajjiao as a feminine tactic or the tactic of the weak the book aims to propose a feminine framework in exploring identity politics in the following three aspects the rising obsession with the immature female image in Taiwan s popular culture the adoption of the feminine communication style in native speakers everyday language and interactions and the competing discourses between dominant subordinate central peripheral global local and Chinese Taiwanese in shaping the identity politics in current Taiwanese society The micro analysis of everyday language politics leads the reader to examine layers of discourse about gender identity and communication and finally to inquire how to situate or categorize Taiwan in area studies The feminine framework is a useful theoretical tool that not only deconstructs everyday communication practice but also provides a bottom up alternative angle in analyzing Taiwan s role in political economic and cultural flows in East Asia The massive imports of popular cultural products in the late 80s mainly from Japan fermented the kawaii Japanese cute type of femininity in regulating everyday communication and the perception of gender roles in Taiwan The popularity of the baby like female image is concurrent with the simmering debate on Taiwanese identity Taiwan offers a unique perspective for observing identity politics because it still holds an undetermined status in the international community

The collective uncertainty about the island's future and the diminishing voice in the international society become the backdrop for the growth of defining, interpreting and appropriating *sajiao* elements in the popular culture. This book offers an in-depth examination of the interplay among local historical contexts, cross-border capitalist exchange and everyday communication that shapes the dialogism of Taiwanese identity.
