Lived Experiences and Social Transformations CL Wren Radford, 2022-03-07 Practices of sharing marginalised lived experiences are framed as providing insight into injustices yet social inequalities influence whose experiences and whose interpretations of these experiences are seen as valid Lived Experiences and Social Transformations analyses academic and activist encounters with lived experiences arguing that these practices reinforce or disrupt power relations Through the example of UK activists sharing their experiences of poverty Wren Radford advocates for collaborative interventions that emphasise the critical creative knowledges enmeshed in marginalised experiences The book compellingly enacts this approach to practical theology rooted in concrete issues and argued through poetic writing artwork and interdisciplinary sources

Low-Fat Love Stories Patricia Leavy, 2016-11-25 Low Fat Love Stories is a collection of short stories and visual portraits based on interview research with women about a dissatisfying relationship with a romantic partner or relative or their body image The stories focus on settling in relationships the gap between fantasies and realities

relationship patterns divorce abuse childhood pain spirituality feeling like a fraud growing older and daily struggles looking in the mirror Once upon a time and happily ever after take on new meaning as the women's stories reveal the underside of fairytales and toxic popular culture Written in the first person with language taken directly from each woman's interview the stories are raw visceral and inspirational As a collection the stories and art set you on an emotional rollercoaster and illustrate the different forms low fat love may take and the quest for self worth in the context of popular culture that tells women they are never enough The authors developed an original method of textual visual snapshots for this book Low Fat Love Stories can be used in a range of courses in art education gender women's studies popular culture psychology relational communication sociology and social work or as an exemplar in research or qualitative methods narrative inquiry arts based research or creative writing courses or it can be read entirely for pleasure by individuals or in book clubs An important addition to the fields of gender and media studies that is certain to stimulate self reflection and lively discussion Jean Kilbourne Ed D author feminist activist and creator of the Killing Us Softly Advertising's Image of Women film series Breathtaking The images are glorious emotionally compelling those eyes the pain the fragility the stories are captivating Laurel Richardson Ph D Professor Emeritus The Ohio State University and Cooley Book Award winner A powerful book that challenges the representations of women that dominate popular culture offering alternative narratives and images grounded in women's real experiences Sut Jhally Ph D University of Massachusetts at Amherst Founder Executive Director Media Education Foundation A wonderful model of the infinite possibilities for art as research An inspirational affirmation of life for all people Shaun McNiff University Professor Lesley University and author of Art as Research Art Heals and Imagination in Action Patricia Leavy Ph D is an award winning independent sociologist and author Victoria Scotti Ph D is an art therapist and artist

Good Question Michael Emme, 2017-09-14 Good Question is a textbook intended for children and youth teachers and researchers interested in doing collaborative research in their community The volume starts out as comic book research methods textbook that intends to introduce children and youth to the fundamental structure of the research process its elements and steps as well as with the research activities associated with the different aspects of research practice in general and arts based image based research in particular This unique approach allows children and youth to learn the craft of research in a playful way and to become knowledgeable and competent co researchers with adults contributing to all phases of the study's design The volume encourages teachers and researchers to see the important role of play in teaching children and young people about the research process and gives them the tools to engage children and youth in playful arts based image based inquiries The complexity of exploring collaborative research required an innovative way of overcoming the linearity of a paper bound print text and the way we read it The volume is intentionally organized in three sections starting with the comic book because it invites an openness to layered non linear research literacy The volume also includes an anthology of research examples of conducting arts based image based research with children and several

theoretical essays focused on play as research and collaborative arts based image based research The later sections featuring research examples and theory though heavily illustrated have been peer reviewed and formatted more in the academic tradition Thus Good Question represents an attempt to make sense of children s play ful engagement in arts based image based inquiry activities with adults as research By playing with the forms and traditions of the comic book the research methods textbook and the academic book together we have attempted to respectfully disassemble and reassemble book form We invite readers to discover those research conventions that are capable of establishing what is gathered and presented here as collaborative research with children We imagine this volume contributing to the quest e for new ways of living together of generating more and more incisive and inclusive dialogues Greene 1994 p 459 as both a personal and a collective endeavor

Choice ,2008 **Educational Research** John O'Toole,David Beckett,2010 For many teachers and teacher education students research is an initially daunting prospect This accessible and engaging text will introduce students to the broad field of educational research demonstrating how to use research to think about issues arising from classroom settings organisations or wider professional activities It provides students with the confidence to address firstly the basic principles imperatives and theoretical approaches and then explains how to tackle the necessary processes and procedures

Journal of Medico-physical Research ,1924 **Handbook of Research on Improving Student Achievement** Gordon Cawelti,2004 This updated report is an essential tool for school leaders and practitioners alike and is the single most authoritative source for effective K 12 teaching and learning practices across the content areas This one volume brings together in readable concise language the authoritative research on effective classroom practices in all major disciplines currently taught in elementary and secondary schools the arts foreign language health language arts physical education mathematics social studies and science as well as generic practices that apply across all disciplines This third edition includes over 100 research based classroom strategies and features a new chapter that synthesises the research on high performing school districts and discusses ways school districts can support instructional improvement
