**The Architecture of Rome** Ulrich Fürst, 1998 Architects and artists have always acknowledged over the centuries that Rome is rightly called the eternal city Rome is eternal above all because it was always young always in its prime Here the buildings that defined the West appeared over more than 2000 years here the history of European architecture was written The foundations were laid even in ancient Roman times when the first attempts were made to design interiors and thus make space open to experience as something physical And at that time the Roman architects also started to develop building types that are still valid today thus creating the cornerstone of later Western architecture In it Rome's primacy remained unbroken whether it was with old St Peter's as the first medieval basilica or new St Peter's as the building in which Bramante and Michelangelo developed the High Renaissance or with works by Bernini and Borromini whose rich and lucid spatial forms were to shape Baroque as far as Vienna Bohemia and Lower Franconia and also with Modern buildings of which there are many unexpected pearls to be found in Rome All this is comprehensible only if it is presented historically i.e. in chronological sequence and so the guide has not been arranged topographically as usual but chronologically This means that one is not led in random sequence from a Baroque building to an ancient or a modern one but the historical development is followed successively Every epoch is preceded by an introduction that identifies its key features This produces a continuous lavishly illustrated history of the architecture of Rome and thus at the same time of the whole of the West Practical handling is guaranteed by an alphabetical index and detailed maps whose information does not just immediately illustrate the historical picture but also makes it possible to choose a personal route through history

Lady with the Little Dog and Other Stories, 1896-1904 Anton Chekhov,2002-11-26 An enchanting collection of tales which showcase Anton Chekhov at the height of his power as a writer In the final years of his life Chekhov produced some of the stories that rank among his masterpieces and some of the most highly regarded works in Russian literature The poignant The Lady with the Little Dog and About Love examine the nature of love outside of marriage its romantic idealism and the fear of disillusionment And in stories such as Peasants The House with the Mezzanine and My Life Chekhov paints a vivid picture of the conditions of the poor and of their powerlessness in the face of exploitation and hardship With the works collected here Chekhov moved away from the realism of his earlier tales developing a broader range of characters and subject matter while forging the spare minimalist style that would inspire such modern short story writers as Ernest Hemingway and William Faulkner In this edition Ronald Wilks s translation is accompanied by an introduction in which Paul Debreczeny discusses the themes that Chekhov adopted in his mature work This edition also includes a publishing history and notes for each story a chronology and further reading For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

**Lamp ... ,1916**    Book Buyer ,1917    *The Nose and Other Stories* Nikolai Gogol,2020-09-01

Nikolai Gogol s novel Dead Souls and play The Government Inspector revolutionized Russian literature and continue to entertain generations of readers around the world Yet Gogol s peculiar genius comes through most powerfully in his short stories By turns or at once funny terrifying and profound the tales collected in The Nose and Other Stories are among the greatest achievements of world literature These stories showcase Gogol s vivid haunting imagination an encounter with evil in a darkened church a downtrodden clerk who dreams only of a new overcoat a nose that falls off a face and reappears around town on its own outranking its former owner Written between 1831 and 1842 they span the colorful setting of rural Ukraine to the unforgiving urban landscape of St Petersburg to the ancient labyrinth of Rome Yet they share Gogol s characteristic obsessions city crowds bureaucratic hierarchy and irrationality the devil in disguise and a constant undercurrent of the absurd Susanne Fusso s translations pay careful attention to the strangeness and wonder of Gogol s style

preserving the inimitable humor and oddity of his language *The Nose* and *Other Stories* reveals why Russian writers from Dostoevsky to Nabokov have returned to Gogol as the cornerstone of their unparalleled literary tradition **A Russian Jew of Bloomsbury** Galya Diment, 2011 A Russian Jew of Bloomsbury looks at the remarkable influence that an outsider had on the tightly knit circle of Britain's cultural elite Among Koteliansky's friends were Katherine Mansfield Leonard and Virginia Woolf Mark Gertler Lady Ottoline Morrell H G Wells and Dilys Powell But it was his close and turbulent friendship with D H Lawrence that proved to be Koteliansky's lasting legacy In a lively and vibrant narrative Galya Diment shows how despite Kot's determination he could never escape the dark aspects of his past or overcome the streak of anti-Semitism that ran through British society including the hearts and minds of many of his famous literary friends
