Comparative Politics Patrick H. O'Neil, 2024 **New Directions In Comparative Politics, Third Edition** Howard Wiarda, 2019-03-06 This text sees the new diversity of approaches as healthy and invigorating The diversity in comparative politics over the past two decades has been reflected in prior editions of this book Press, Propaganda and Politics Rubén Jarazo Álvarez, Andrada Fatu-Tutoveanu, 2014-08-11 This collective work aims to compare media and in particular cultural press in Francoist Spain and Communist Romania placing the two opposing paradigms in a common approach with the intention of identifying shared patterns and intricate connections between them but at the same time without ignoring their radical differences This comparison is performed both explicitly through several chapters focusing on the general methodological implications of such a comparison between Francoist Spain and Communist Romania in the development of totalitarian dictatorial propagandistic systems and implicitly by offering the academic frame to a series of case studies from both regimes The contributors to this volume Spanish Anglo Saxon and Romanian scholars approach several aspects of media in relation to politics propaganda historical or social aspects in the two regimes based on their academic backgrounds history cultural studies media and literature The volume intends to suggest through its collection of general comparative or analytic chapters as well as through a new approach on two political and cultural phenomena otherwise studied as opposing paradigms the need for a larger debate on the potential of the approach to these phenomena in a common framework

Africa's Radicalisms and Conservatisms , 2021-01-11 With Africa as its point of reference and departure this volume examines why and how the two concepts radicalisms and conservatisms should not be taken as mere binaries around which to organize knowledge It demonstrates that these concepts have multiple and diverse meanings as perceived and understood from different disciplinary vantage points hence the deliberate pluralization of the terms The essays show what happens when one juxtaposes the two concepts and how they are easily intertwined when different peoples lived experiences of poverty political and social alienation education intolerance youth activism social in justice violence etc across the length and breadth of Africa are brought to bear on our understandings of these two particularisms Contributors are Adekunle Victor Owoyomi Adeshina Francis Akindutire Adewale O Owoseni Bright Nkrumah Clement Chipenda Ebenezer Babajide Ishola Edwin Etieyibo Israel Oberedjemurho Ugoma Jonah Uyieh Jonathan O Chimakonam Madina Tlostanova Maduka Enyimba Muchaparara Musemwa Odirin Omiegbe Obvious Katsaura Olufunke Olufunsho Adegoke Peter Kwaja Philip Akporduado Edema Tafadzwa Chevo and Temitope Owolabi **Non-Western Theories of International Relations** Alexei D. Voskressenski, 2016-12-16 This book addresses the problem of World Regional Studies and its components regional

complexes regional subsystems and global regions With an increasingly complex international system and the emergence of new actors it is clear that the conceptual framing within the classical disciplines of IR Political Theory International Political Economy or Comparative Politics can no longer fully explain a number of processes originating from a tighter and intricate nexus between local regional and global dimensions World Regional Studies explains the emergence of new phenomena in international relations and world politics on a regional and predominantly non Western regional level How do non Western societies react to the transformations of the global order Is a non Western democracy possible Should we discuss the possibilities for the appearance of a non Western IR theory or a new framework for analyzing de westernized global development This study based on decade long research and teaching post in World Regional Studies at MGIMO University and Russian University of Humanitarian Studies RGGU seeks to answers these questions *Essentials of Comparative Politics (Seventh International Student Edition)* Patrick H. O'Neil,2020 *Social Transformation and State Governance in China* Xianglin Xu,2020-06-08 This volume is a selection of Chinese political scholar Xianglin Xu s published works spanning nearly 20 years of research that explore and discuss the socio economic transition in China under state political reform Contextualized within the decades following the 80s the author analyzes patterns observed from empirical studies and breaks down the underlining reasoning conditions and functionalities behind the incremental reform policies pushed forward by the Party and government The collection is broken up into four sections the first provides a general framework and theoretical historical introduction to social transition research in the case of China the second section discusses the underpinning logic behind political reform in China and practical concerns the third section follows with discussions on reform policy practices within China including application and trajectory the final section concludes with an analysis of reform within state institutional infrastructure and policy innovation **Essentials of Comparative Politics with Cases (Sixth AP® Edition)** Patrick H. O'Neil,2018 *Global Issues in the Context of Space* Jean Kachiga,2016-08-24 Global Issues in the Context of Spaces examines globalization using the concept of space to contextualize discussion of global issues The manuscript uses the concept of space to contextualize global issues because spaces are the theater of human activity Global issues result from specific dynamics emerging between people and their activities within specific spaces The growth of population the increase of human activity and the usage of new spaces explain the complexity and challenges of global issues today *Introducing Comparative Politics* Stephen Orvis,Carol Ann Drogus,2017-11-30 For Introducing Comparative Politics The Essentials the driving force is the pluralist objective stance on introducing students to core concepts in Comparative Politics Authors Stephen Orvis and Carol Ann Drogus introduce key comparative questions while providing equal strengths and weaknesses of commonly debated theories structures and beliefs that push students beyond memorization of country profiles and ever changing statistics and generate in class debate over key concepts used in the science of comparative politics While detailed case studies can go in depth on specific countries and political systems Introducing Comparative Politics The Essentials

distills its country material into paragraph long examples woven seamlessly into the narrative of the text increasing diverse global awareness current event literacy and critical thinking skills Comparative Public Administration Eric E.

Otenyo,Nancy S. Lind,Lawrence R. Jones,2006-07-24 Public administration scholars and practitioners are increasingly concerned with the need to broaden the field s scope beyond particularistic accounts of administration in given countries This title brings together seminal readings in comparative development public administration and contemporary public management scholarship **Essentials of Comparative Politics, 5th International Student Edition, with Cases in**
