Young Adult Lois Thomas Stover,Connie S. Zitlow,2013-10-30 Young adults often struggle with confusion or guilt because they perceive themselves as different from others especially their peers For some of these individuals the arts can help them cope with adolescent turmoil allowing them to express their emotions in poems stories painting songs and other creative outlets Sensitive teachers and parents know how important it is for young people to realize that they are not alone in their quest for self knowledge and finding their way in the world It can make a difference when readers find something in a book that helps them understand more about who they are and helps them understand others In Portrait of the Artist as a Young Adult The Arts in Young Adult Literature Lois Thomas Stover and Connie S Zitlow examine books in which the coming of age for young adults is influenced by the arts Stover and Zitlow consider the connection between the arts and a young person s developing sense of self the use of art to cope with loss and grief and how young adults can use art to foster catharsis and healing The young people in these books either identify as artists or use the arts in intentional ways to explore their identities They often have artistic gifts that make them stand outside the norms of teenage life yet those gifts also help them find a sense of community Artists considered in this book include painters photographers sculptors actors directors choreographers dancers composers musicians graffiti artists and others The books discussed also explore the ways adults can nurture the

artist's development and understand the way young people sometimes use the arts to form their unique identity Included is an annotated bibliography organized by art discipline as well as an appendix about using the arts pedagogically making Portrait of the Artist as a Young Adult a valuable resource for educators parents librarians and young adults *Harlequin Desire January 2021 - Box Set 2 of 2* Charlene Sands, Joanne Rock, Nicki Night, 2021-01-01 Do you love stories with sexy romantic heroes who have it all wealth status and incredibly good looks Harlequin Desire brings you all this and more with these three new full length titles in one collection This box set includes One Night in Texas Texas Cattleman's Club Rags to Riches By USA TODAY bestselling author Charlene Sands Gracie Diaz once envied the Wingate family and wanted Sebastian Wingate Now she's wealthy in her own right and pregnant with his baby Was their one night all they'll ever have Or is there more to Sebastian than she's ever knew The Rancher Dynasties Mesa Falls By USA TODAY bestselling Joanne Rock Ranch owner Miles Rivera is surprised to see a glamorous woman like Chiara Campagna in Mesa Falls When he catches the influencer snooping he's determined to learn what she's hiding But when suspicion turns to seduction can they learn to trust one another Intimate Negotiations Blackwells of New York By Nicki Night Investment banker Zoe Baldwin is determined to make it in the city's thriving financial industry but when she meets her handsome new boss Ethan Blackwell it's hard to keep things professional As long days turn into hot nights can their relationship withstand the secrets between them For more stories filled with scandal and powerful heroes look for Harlequin Desire's January 2021 Box set 1 of 2 **Intimate Negotiations** Nicki Night, 2021-01-01 Can she risk her dream job for a night with the man of her dreams Zoe Baldwin escaped her poverty stricken youth to become a successful investment banking dynamo at the top of her game But a forbidden office affair with her new boss Ethan Blackwell could ruin both their careers And an unexpected pregnancy makes the stakes even higher Will she and her billionaire playboy come to new terms when business becomes too personal From Harlequin Desire A luxurious world of bold encounters and sizzling chemistry Blackwells of New York Book 1 Intimate Negotiations Book 2 One More Second Chance Beautifully Broken Pieces Catherine Cowles, 2019-02-25 A woman who's lost everything Taylor is looking for peace and quiet away from the memories of all she's lost A small mountain town where no one knows her seems like the perfect escape A man battling the ghosts of his past Walker loves his life just the way it is His town his family his brothers in blue Everything simple and easy until a chance encounter changes it all When Taylor's solitude is interrupted by the rugged cop they find that the very thing they were avoiding might be just what they both need As their iron wills clash and passion flares a killer lurks And you never know who might be caught in the crosshairs Read what others are saying about Beautifully Broken Pieces A small town romance that gripped me from the very first page I fell in love with these characters with the writing and with this unexpected story I can't recommend it enough Alessandra Torre New York Times Bestseller Heartwarming romantic and with an added bit of suspense Beautifully Broken Pieces had me glued to every page Catherine Cowles meet your newest super fan Devney Perry USA Today Bestseller Read what others are
