

6-Trait Writing

Organization

When you write a descriptive paragraph, you can use spatial order to organize your details.

Read Josefin's description of her grandmother's home. Then: Underline the prepositional phrases that show position or direction. Cross out and correct the errors.

Come with me to visit an artist who works in a rodeo that leads to her a plain ride to Mexico she lives. As we walk of colorful clay figurines. My grandfather sits on the dried figs. The door leads to the back of the old house. A mound of water my grandmother's house.

B. Some of the details. Rewrite the paragraph using spatial order.

Organization

Use signal words and phrases to indicate similarities and differences between two things.

Use the details in the Venn diagram to write a paragraph that compares and contrasts the flute and the saxophone. You may write about one instrument at a time, or compare them point by point. Use the signal words and phrases in the box to help you.
