the Bible where the United States is mentioned in prophecy Although the United States was not a nation at the time the Bible was written it gives a very extensive and widespread description of this country This description fits the United States to a tee It is so graphically expressive and vivid that as the description is given every other nation on the face of the earth is eliminated At the same time as the portrayal is depicted the case for it pointing to the United States grows It is obviously clear that the United States is this end time nation the Bible portrays
