Evangelism And Social Involvement:

Evangelism and Social Involvement Delos Miles, 1986 The Study of Evangelism Paul W. Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission. Many of the resulting books in the marketplace however have a hands-on orientation often lacking serious theological engagement and reflection. Bucking that how to trend, The Study of Evangelism offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice. Helpfully organized into six categories, these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church's practice of evangelism. Good News to the Poor Tim Chester, 2013 The chasm between evangelism and social action needs to be bridged. Chester convincingly argues that the truth of the gospel is best understood and embraced in the context of loving action and gospel-centered community. Theory of Social Involvement Sunday A. Aigbe, 2015-02-02 Theory of Social Involvement examines the dynamic interplay between church, state and society. Sunday A. Aigbe considers the Christian factor as it relates to the sociopolitical responsibility and development in Nigeria. The study assesses the role of the church as well as identifies and develops ways in which Christianity can serve as an agent of change and promote unity within Nigeria. The New Evangelical Social Engagement Brian Steensland, Philip Goff, 2014 Evangelicals are increasingly turning their attention to such issues as the environment, international human rights, economic development, racial reconciliation and urban renewal. The New Evangelical Social Engagement maps this new religious terrain and spells out its significance. *Evangelism and Social Responsibility*, 1982 Transforming Mission: Paradigm Shifts in Theology of Mission David J. Bosch, 2011 David Bosch's Transforming Mission now available in over a dozen languages is widely recognized as an historic and magisterial contribution to the study of mission. Examining the entire sweep of Christian tradition, he shows how five paradigms have historically encapsulated the Christian understanding of mission and then outlines the characteristics of an emerging postmodern paradigm dialectically linking the transcendent and imminent dimensions of salvation. In this new anniversary edition, Darrel Guder and Martin Reppen explore the impact of Bosch's work and the unfolding application of his seminal vision. **Rethinking Missio Dei among Evangelical Churches in an Eastern European Orthodox Context** Vladimir Ubeivolt, 2016-09-30 Following a paradigm shift in his own personal understanding of mission, Vladimir Ubeivolt proposes the adoption of mission principles based on *missio Dei* to meet the social and spiritual needs of people in Moldova. Biblically grounded and insightful, the lessons to be learned from this book apply far beyond Eastern Europe. Dr. Ubeivolt uses his knowledge from six years of research, twenty years of pastoral ministry and a lifetime of experience to summarize the landscape of the Moldovan Evangelical and Orthodox churches and their historical approaches to mission. His evaluation emphasizes the need for a biblical foundation to mission for Eastern European Evangelical churches. This book's message is a timely scholarly reminder of the need to pursue holistic mission if
