Events Management Glenn A. J. Bowdin, Johnny Allen, Rob Harris, Leo Jago, William O'Toole, Ian McDonnell, 2023-07-31. A must-have introductory text of unrivalled coverage and depth focusing on events planning and management. The fourth edition of *Events Management* provides a complete A to Z of the principles and practices of planning, managing, and staging events. The book offers a systematic guide to organising successful events, examining areas such as event design, logistics, marketing, human resource management, financial planning, risk management, impacts, evaluation, and reporting. The fourth edition has been fully updated and revised to include content covering technology, including virtual and hybrid events, concepts such as social capital, soft power, and events, social inclusion, equality, accessibility, and diversity, and the latest industry reports, research, and legal frameworks. The book is logically structured and features new case studies showing real-life applications and highlighting issues with planning events of all types and scales in a range of geographical locations. This book has been dubbed the events management bible and fosters an interactive learning experience amongst scholars of events management, tourism, and hospitality.

The Temple Management Manual Dale Glasser, Introducing To Learn and To Do. *The Temple Management Manual*, a 700-page joint publication of the URJ Ida and Howard Wilkoff Department of Synagogue Management and the National Association of Temple Administrators, designed to help demystify the enormously complex task of governing and administering a congregation in the 21st century. For ease of use, *The Temple Management Manual* is fully indexed and tabbed in an updatable three-ring binder. It also includes a CD-ROM containing 22 useful forms.

Event Planning and Management Ruth Dowson, Bernadette Albert, Dan Lomax, 2022-12-03. Learn how to plan, deliver, and evaluate successful events with this clear and comprehensive textbook, which explores the latest developments in this challenging and fast-paced environment. Written by authors with extensive industry experience of working on a wide spectrum of events, this is an essential step-by-step resource for students and the next generation of event planners. Offering a well-rounded approach which introduces key models and theories as well as practical, real-life insights throughout, *Event Planning and Management* offers a structured formula for all types of events, from their initial planning to final evaluation. Without assuming prior subject knowledge or experience, this fully updated third edition of *Event Planning and Management* provides a renewed focus on virtual and hybrid events, which is lacking from many other texts. Featuring real-world examples, including The 2022 Commonwealth Games Expo 2020 Dubai and The American Heart Association (AHA) conferences, accompanying online resources include lecture slides, activities, self-test questions, and web links. This is an indispensable resource for students studying events-related modules as well as early stage
