**Social Justice Goes To Church: The New Left in Modern American Evangelicalism** Jon Harris, 2020-10-06 The infusion of social justice into the gospel may well be the most dangerous problem facing the church today Yet it is going unnoticed in far too many circles Social Justice Goes to Church can serve as a wake up call Samuel C Smith Ph D Chair and Graduate Program Director Department of History Liberty University In order to understand why so many evangelicals recently support left leaning political causes it is important to know a little history In the 1970s many campus radicals raised in Christian homes brought neo Marxist ideas from college back to church with them At first figures like Jim Wallis Ron Sider and Richard Mouw made great gains for their progressive evangelical cause But after the defeat of Jimmy Carter the religious right stole the headlines Today a new crop of mainstream evangelicals has taken up the cause of the New Left whether they know it or not As pro life evangelicals rush to support movements like BlackLivesMatter and MeToo it is important to realize they are walking in footprints already laid down Their mission may be more successful but it is not new To understand where the evangelical social justice movement is heading it is vital to understand the origins of the movement Social Justice Goes to Church The New Left in Modern American Evangelicalism answers from a historical perspective the vital question Why are American evangelicals moving Left The great injunction to the Church was to preach the Gospel to the world while not being of the world Social justice neatly reverses this trend preaching the ways of the world into the church That is not its only critical reversal The Gospel is about freedom from guilt and sin and bondage Social justice seeks above all to apportion guilt and sin and bondage enslaving entire demographics and requiring that they kneel before man in attrition How important that a book of this nature should enter the fray right now I applaud Mr Harris for his excellent work in providing the practical means of identifying and repelling this fraudulent force this ideological interloper this dangerous false teaching Douglas Kruger Author of Political Correctness Does More Harm Than Good How to Identify Debunk and Dismantle Dangerous Ideas

**Working Blessedly Forever, Volume 2** R. Paul Stevens, Lucas Lee, 2025-02-27 In volume 1 of Working Blessedly Forever Paul Stevens argues that doing marketplace theology requires head thought heart prayer and hand action Volume 2 takes up the doing part through the experience of multiple practitioners thus providing a practical marketplace theology So under the

headings of *Doing Theology from Above and Below Dimensions of Marketplace Practice Issues in the Marketplace and Marketplace Practice* and the Church these sixteen authors ranging from a machinist to a lawyer elaborate on what they have learned about the integration of faith and work from their actual work life Edited by R Paul Stevens who writes the introduction a short introduction to each session three of the short chapters and the epilogue this book does not cover everything but gives a window into the actual life of a marketplace Christian in their work for God and neighbor Along with volume 1 this puts flesh on the invigorating and empowering truth of biblical marketplace theology *Poets and Saints Participant's Guide* Jamie George, Leslie Jordan, 2016-09-01 This immersive seven week experience uses the intentional conversations of the Poets and Saints DVD as a springboard for further reflection and discussion Exploring the spiritual lives of Christians such as Saint Francis of Assisi and George MacDonald and featuring photography and artwork reflective of their lives and experiences Poets and Saints Participant's Guide challenges readers to grow in their own faith as they immerse themselves in the remarkable lives of those who have gone before them *The Right To Choose* Meeka Six, 2024-11-17 The Right to Choose explores the complex issue of abortion from a Biblical perspective examining the moral spiritual and biological dimensions of life's sanctity Rooted in the belief that all life originates from GOD and is divinely purposed the book challenges the notion of personal autonomy in decisions of life and death arguing that human life beginning with the man's seed belongs ultimately to the CREATOR It delves into biblical teachings on life the responsibilities of parenthood the moral implications of rejecting life and provides alternatives to abortion that align with faith and morality such as adoption and celibacy Through scriptural insights and an exploration of the divine order of GOD The Right to Choose calls for a renewed reverence for life and urges readers to see choice as an opportunity to honor the design and commandments of GOD *Preaching and the Mission of God* David R. Fields, 2023-03-16 In an age divided and skeptical when the true Christian story is often unknown or deeply misunderstood how do we even begin to share the news of Jesus And how might preaching in a local church both equip God's people for their missional task and speak in a way that a weary world can hear and even rejoice in The answer begins with seeing the Bible as a document developed in a missionary context for a missionary purpose This book starts there It begins by examining the Bible as a document of mission that needs to be interpreted through a missional lens It then moves to offer a mission shaped vision for preaching and the needed tools for contextualizing the gospel in our post Christendom setting You'll find short accessible chapters with personal reflection questions as well as three group discussion sections ideal for either a classroom setting a preaching team in a local church or a preacher's guild ***Every Waking Hour*** Benjamin T.
