Exam Questions Entrepreneurship Theory Process And Practice:

Entrepreneurship in Theory and Practice S. L. Nielsen, K. Klyver, M. Rostgaard Evald, 2012-01-01 The strength of this book is it is pitched at a level suitable for students who just want to go out and found their own businesses or think that they do it is written in a very friendly supportive non intimidating style in which the authors empathise with the student indeed empathy is an interesting subtheme of some of the things they suggest about the successful entrepreneur Mark Casson University of Reading UK Entrepreneurship in Theory and Practice is not your typical textbook in entrepreneurship The authors have taken a very creative look at the seeming contradictions that make up the creation of a new business venture Their use of current research as well as thought provoking cases to illustrate behaviors such as opportunity recognition make this book one that both professors and would be entrepreneurs should read Alan L Carsrud Ryerson University Canada This unique textbook on entrepreneurship aimed primarily at undergraduate students provides the reader with a broad overview of the entrepreneurship phenomenon It focuses on the emergence evaluation and organizing of entrepreneurial opportunities in various organizational contexts Each chapter kicks off with a real life international case story by high profile entrepreneurship scholars including William B Gartner Saras Sarasvathy Alain Fayolle Kevin Hindle Thomas Cooney Anita Van Gils and Ann Clarke Theories of entrepreneurship are embedded with tensions and dilemmas which this book presents as a collection of paradoxes for each theme and chapter The book challenges the reader to be critical and to take a stand on the many paradoxical situations entrepreneurs encounter on their entrepreneurial journey The authors present theory and knowledge unique to the paradoxical world of entrepreneurship Including international cases student involvement theory paradoxes actions and exercises all undergraduate students with or without prior entrepreneurship education can enjoy the many benefits puzzles and insights the book has to offer

Theorising Undergraduate Entrepreneurship Education

Guillermo J. Larios-Hernandez, Andreas Walmsley, Itzel Lopez-Castro, 2022-01-31 This book engages ongoing debates about the nature manifestation and purpose of entrepreneurship education EE It presents theoretical and practical perspectives on the challenges and opportunities that entrepreneurship educators face globally to equip undergraduate students with entrepreneurial skills and more generally develop their entrepreneurial mindsets and capabilities taking advantage of programmes and curricula available in their ecosystem Divided into three sections the chapters written by recognized experts deliver distinctive approaches to undergraduate EE an analysis of entrepreneurial mindset building perspectives and cases and proposals of undergraduate entrepreneurship programs that go beyond the traditional higher education milieu This volume provides entrepreneurship educators with a voice to explain how they participate in the topic of entrepreneurship how undergraduate students engage and respond to EE and how institutional frameworks for EE and more generally the entrepreneurship education ecosystem support undergraduate EE

Handbook of Entrepreneurial Cognition J. Robert Mitchell, Ronald K. Mitchell, Brandon Randolph-Seng, 2014-12-31 Entrepreneurial cognition research is at a crossroads where static views give way to dynamic approaches This Handbook draws on a variety of perspectives from experts in the field of entrepreneurial cognition to highlight the key elements in a soci

Foundational Research in Entrepreneurship Studies Golshan Javadian, Vishal K. Gupta, Dev K. Dutta, Grace Chun Guo, Arturo E. Osorio, Banu Ozkazanc-Pan, 2018-04-23 This book draws attention to the classic seminal articles in entrepreneurship that have made profound contributions to the field s emergence development and maturity In each chapter a classic is identified ideas contained therein that are still relevant to

the field are discussed and subsequently follow up research that is being conducted based on these ideas is highlighted including possible areas of future research Scholars will embrace this systematic effort to identify and reveal the contribution of classic articles in entrepreneurship research and their impact on subsequent scholarship *Enterprise and Economic Development in Africa* Dina M. Nziku, John J. Struthers, 2021-06-11 Presenting a topical analysis of the challenges and achievements of enterprise Enterprise and Economic Development in Africa examines contributions to economic development on the continent as well as exploring implications for policy dimensions **Researching Entrepreneurship** Per Davidsson, 2016-03-05 In this book one of the most highly recognized entrepreneurship scholars shares in a personal and readable way his rich experience and ideas on how entrepreneurship can be researched Entrepreneurship is a phenomenon of tremendous societal importance It is also an elusive phenomenon which makes researching it fun fascinating and frustrating at times In this fully updated edition numerous real examples accompany the treatment of problems and solutions concerning design sampling operationalization and analysis Researching Entrepreneurship is targeted primarily at research students and academics who are relatively new to research or to entrepreneurship research This said basic knowledge of research methods is assumed and when foundational issues are discussed they are typically approach from a non standard angle and or with an eye to illuminate entrepreneurship specific problems and solutions This makes large parts of the contents potentially valuable for entrepreneurship scholars at any level of research proficiency The book is also of interest to sophisticated non academic users with a professional interest in collecting and analyzing data from emerging and young ventures and to those who make use of published entrepreneurship research For example analysts in marketing research or consultancy firms business associations statistical agencies and other government offices may find this book to be a valuable tool Moreover while the examples are derived from entrepreneurship research the book provides a unique experienced empirical researcher rather than textbook method expert treatment of issues that are of equal relevance across the social sciences This goes for topics like the role of theory research design validity assessment statistical inference and replication Entrepreneurship research has developed rapidly in the decade that has passed since the first edition Therefore all chapters have been comprehensively updated and many have been extended sometimes to twice the original length Two of the original chapters have been excluded to make room for entirely new chapters on the Dependent Variable and The Entrepreneurship Nexus While retaining a unique personal tone the author uses examples and references that build on contributions from a large number of top entrepreneurship researchers Recent Trends in Social and Behaviour Sciences Ford Lumban Gaol, Seifedine Kadry, Marie Taylor, Pak Shen Li, 2014-02-27 The human aspect plays an important role in the social sciences The behaviour of people has become a vital area of focus in the social sciences as well Recent Trends in Social and Behaviour Sciences contains papers that were originally presented at the International Congress on Interdisciplinary Behavior and Social Sciences held 4 5 November 201 **The Jossey-Bass Handbook of Nonprofit Leadership and Management**

David O. Renz, William A. Brown, Fredrik O. Andersson, 2024-03-14 An expansive discussion of the most current scholarship theory and best practices in the field of nonprofit leadership and management In the newly revised fifth edition of *The Jossey Bass Handbook of Nonprofit Leadership and Management* veteran nonprofit leader and researcher Dr David Renz along with co authors Fredrik Andersson and William Brown deliver a comprehensive and up to date account of the research theory and practices influencing contemporary nonprofit organizations The book contains a particular focus on the unique challenges confronting all modern nonprofit leaders including the concept of accountability and the pressure to demonstrate concrete outcomes and results during a time of extreme economic challenge The editor includes original contributions from 28 of the sector's leading voices on everything from the institutional context in which nonprofits operate to the effective recruitment selection retention and management of staff and volunteers You'll also discover Substantial updates and revisions to rapidly evolving subjects including diversity equity and inclusion at nonprofits social entrepreneurship and financial leadership Expansive exploration of the transformed political legal climate and context in which nonprofits operate In depth consideration of the management of relationships with internal and external stakeholders and constituents Perfect for leaders educators researchers managers and students of contemporary nonprofit leadership and management *The Jossey Bass Handbook of Nonprofit Leadership and Management* is an invaluable one stop resource for sitting board members and engaged volunteers at forward looking nonprofit organizations

The Routledge Companion to Reward Management Stephen J. Perkins, 2018-11-14 *The Routledge Companion to Reward Management* provides a prestige reference work and a state of the art compilation mapping out contemporary developments and debates on rewarding people in employment and how they relate to business corporate governance and management Reward management stands at the interdisciplinary interface between economics industrial relations and HRM industrial psychology and organisational sociology and increasingly corporate governance incorporating debates around equity and fairness in and around the employment relationship and wider capital labour relations In recent years trade union decline and widening differentials between those employed at the top of organisations have generated critical commentary in the popular media which can negatively impact on social cohesion Theoretically underpinned but practically oriented this Companion will synthesise these trends and controversies around issues while tracing conceptual and empirical provenance currency and future prospects It will be an invaluable resource for student and researchers in reward management corporate governance management and HRM seeking convenient access to an area which is highly complex and controversial in application

Entrepreneurship Education and Training Programs around the World Alexandria Valerio, Brent Parton, Alicia Robb, 2014-05-06 Entrepreneurship has attracted global

interest for its potential to catalyze economic and social development Research suggesting that certain entrepreneurial mindsets and skills can be learned has given rise to the field of entrepreneurship education and training EET Despite the growth of EET global knowledge about these programs and their impact remains thin In response this study surveys the available literature and program evaluations to propose a Conceptual Framework for understanding the EET program landscape The study finds that EET today consists of a heterogeneous mix of programs that can be broken into two groups entrepreneurship education and entrepreneurship training These programs target a range of participants secondary and post secondary education students as well as potential and practicing entrepreneurs The outcomes measured by program evaluations are equally diverse but generally fall under the domains of entrepreneurial mindsets and capabilities entrepreneurial status and entrepreneurial performance The dimensions of EET programs vary according the particular target group Programs targeting secondary education students focus on the development of foundational skills linked to entrepreneurship while post secondary education programs emphasize skills related to strategic business planning Programs targeting potential entrepreneurs generally are embedded within broader support programs and tend to target vulnerable populations for whom employment alternatives may be limited While programs serving practicing entrepreneurs focus on strengthening entrepreneurs knowledge skills and business practices which while unlikely to transform an enterprise in the near term may accrue benefits to entrepreneurs over time The study also offers implications for policy and program implementation emphasizing the importance of clarity about target groups and desired outcomes when making program choices and sound understanding of extent to which publicly supported programs offer a broader public good and compare favorably to policy alternatives for supporting the targeted individuals as well as the overall economic and social objectives

Entrepreneurial New Venture Skills David C. Kimball, Robert N. Lussier, 2014-07-17 As business schools expand their entrepreneurship programs and organizations seek people with entrepreneurial skills it has become clear that the skills and mindset of an entrepreneur are highly valued in all business contexts This latest edition of Entrepreneurial New Venture Skills continues to focus on helping students develop entrepreneurial skills whether they seek to become entrepreneurs or employees Focusing on the entrepreneurial start up process the third edition of Entrepreneurial New Venture Skills takes the reader through the steps of selecting planning financing and controlling the new venture The authors cover multiple forms of new ventures as well as ways to utilize entrepreneurial skills in other contexts encouraging students to engage with the material and apply it to their lives in ways that make sense for them Skill development features include Entrepreneurial profiles of small business owners Personal applications for students to apply questions to their new venture or a current business Global and domestic cases Elevator pitch assignments which put students in the venture capitalist position Application exercises and situations covering specific text concepts Business plan prompts to help students construct a business plan over the course of a semester Featuring pedagogical tools like review questions and learning outcomes and a

full companion website that expands upon skill development and offers instructor resources the third edition of Entrepreneurial New Venture Skills is the perfect resource for instructors and students of entrepreneurship Digital Entrepreneurship in Africa Nicolas Friederici, Michel Wahome, Mark Graham, 2020-07-28 The hope and hype about African digital entrepreneurship contrasted with the reality on the ground in local ecosystems In recent years Africa has seen a digital entrepreneurship boom with hundreds of millions of dollars poured into tech cities entrepreneurship trainings coworking spaces innovation prizes and investment funds Politicians and technologists have offered Silicon Valley influenced narratives of boundless opportunity and exponential growth in which internet enabled entrepreneurship allows Africa to leapfrog developmental stages to take a leading role in the digital revolution This book contrasts these aspirations with empirical research about what is actually happening on the ground The authors find that although the digital revolution has empowered local entrepreneurs it does not untether local economies from the continent's structural legacies Drawing on a five year research project the authors show how entrepreneurs creatively and productively adapt digital technologies to local markets rather than dreaming of global dominance achieving sustainable businesses by scaling based on relationships and customizing digital platform business models for African infrastructure challenge The authors examine African entrepreneurial ecosystems show that African digital entrepreneurs have begun to form a new professional class becoming part of a relatively exclusive cultural and economic elite and discuss the impact of Silicon Valley's mythologies and expectations Finally they consider the implications of their findings and offer recommendations to policymakers and others
