The Knowledge Gap Natalie Wexler,2019-08-06 Essential reading for teachers education administrators and policymakers alike STARRED Library Journal The untold story of the root cause of America s education crisis It was only after years within the education reform movement that Natalie Wexler stumbled across a hidden explanation for our country s frustrating lack of progress when it comes to providing every child with a quality education The problem wasn t one of the usual scapegoats lazy teachers shoddy facilities lack of accountability It was something no one was talking about the elementary school curriculum s intense focus on decontextualized reading comprehension skills at the expense of actual knowledge In the tradition of Dale Russakoff s *The Prize* and Dana Goldstein s *The Teacher Wars* Wexler brings together history research and compelling characters to pull back the curtain on this fundamental flaw in our education system one that fellow reformers journalists and policymakers have long overlooked and of which the general public including many parents remains unaware But *The Knowledge Gap* isn t just a story of what schools have gotten so wrong it also follows innovative educators who are in the process of shedding their deeply ingrained habits and describes the rewards that have come along students who are not only excited to learn but are also acquiring the knowledge and vocabulary that will enable them to succeed If we truly want to fix our education system and unlock the potential of our neediest children we have no choice but to pay attention

U.S. Foreign Policy Steven W. Hook,2019-07-11 Hook s text delivers a comprehensive but up to date and easily accessible account of the internal and external forces that constrain U S foreign policy makers Niall Michelsen Western Carolina University The same aspects of American government and society that propelled the United States to global primacy have also hampered its orderly and successful conduct of foreign policy This paradox challenges U S leaders to overcome threats to America s world

power in the face of fast moving global developments and political upheavals at home U S Foreign Policy explores this paradox identifies its key sources and manifestations and considers its future implications Bestselling author Steven W Hook shows readers how to think critically about these cascading developments and the link between the process and the conduct of U S foreign policy The Sixth Edition highlights global and domestic shifts in the balance of power that affect U S foreign policy It includes essential coverage of foreign policy initiatives under the Trump administration and how they compare to the actions of his recent predecessors The most pressing question is whether U S foreign policymakers can manage these dynamics in a manner that preserves U S primacy Give your students the SAGE edge SAGE edge offers a robust online environment featuring an impressive array of free tools and resources for review study and further exploration keeping both instructors and students on the cutting edge of teaching and learning *Disciplinary Literacies* Evan Ortlieb,Britnie Delinger Kane,Earl H. Cheek,2024-01-03 Educators increasingly recognize the importance of disciplinary literacy for student success beginning as early as the primary grades This cutting edge volume examines ways to help K 12 students develop the literacy skills and inquiry practices needed for high level work in different academic domains Chapters interweave research theory and practical applications for teaching literature mathematics science and social studies as well as subjects outside the standard core physical education visual and performing arts and computer science Essential topics include use of multimodal and digital texts culturally responsive and sustaining pedagogy and new directions for teacher professional development The book features vivid classroom examples and samples of student work **OECD Reviews of Evaluation and Assessment in Education Romania 2017** Kitchen Hannah,Fordham Elizabeth,Henderson Kirsteen,Looney Anne,Maghnoouj Soumaya,2017-05-03 Romania s education system has made impressive strides over the past two decades with an increasing share of students mastering the basic competencies that they need for life and work But these average improvements mask significant disparities in learning outcomes and attainment with an **24-Hour Cities** Hugh F. Kelly,2016-07-15 Winner of the Gold Award in the Tenth Annual Robert Bruss Real Estate Book Competition 24 Hour Cities is the very first full length book about America s cities that never sleep Over the last fifty years the nation s top live work play cities have proven themselves more than just vibrant urban environments for the elite They are attracting a cross section of the population from across the U S and are preferred destinations for immigrants of all income strata This is creating a virtuous circle wherein economic growth enhances property values stronger real estate markets sustain more reliable tax bases and solid municipal revenues pay for better services that further attract businesses and talented individuals Yet just a generation ago cities like New York Boston Washington San Francisco and Miami were broke financially and physically scarred by violence and prime examples of urban dysfunction How did the turnaround happen And why are other cities still stuck with the hollow downtowns and sprawling suburbs that make for a 9 to 5 urban configuration Hugh Kelly s cross disciplinary research identifies the ingredients of success and the recipe that puts them together *The Struggle for*

Citizenship Education in Egypt Jason Dorio, Ehaab Abdou, Nashwa Moheyeldine, 2018-12-21 This book offers nuanced analyses of the narratives spaces and forms of citizenship education prior to and during the aftermath of the January 2011 Egyptian Revolution To explore the dynamics shaping citizenship education during this significant socio political transition this edited volume brings together established and emerging researchers from multiple disciplines perspectives and geographic locations By highlighting the impacts of recent transitions on perceptions of citizenship and citizenship education in Egypt this volume demonstrates that the critical developments in Egypt s schools universities and other non formal and informal spaces of education have not been isolated from local national and global debates around meanings of citizenship
