Faerie Caves 2 Guide:

The Faerie Queene: A Reader's Guide Elizabeth Heale, 1999-03-28 The Faerie Queene is the first great epic poem in the English language It is a long and complex allegory which presents the first time reader with many difficulties of allusion and interpretation This book is the only convenient and up to date guide to Spenser's poem and is designed as a handbook to be consulted by students while reading the poem Each chapter is devoted to a separate book of the poem and sub sections treat particular episodes or sequences of episodes in detail Dr Heale considers fully the religious and political context and pays due attention to the variety of Spenser's literary techniques She encourages close reading of the poem and a lively awareness of both its rich detail and the intricate interrelation of its episodes This revised edition takes account of recent developments in Spenserian criticism and brings the guidance on further reading up to date Guide to British Poetry
