

Fahrenheit 451 Study Guide

Answers

1. Q: Explain the significance of Beatty's saying, "Old Montag wanted to fly near the sun and now that he's burnt his damn wings, he wonders why."

A: In many ways Montag's story up to this point parallels the Icarus myth. First of all, Montag is being lead by Faber, an older man who has devised Montag's means of "escape"; a plan to destroy the fire houses. Faber continually warns Montag against rash action, and Montag frequently ignores Faber - he reads poetry in front of his wife and her friends, he talks to Faber through the earpiece in the presence of others, and he lets Beatty confuse and scare him when he returns to the firehouse. Like Icarus, Montag is warned about the dangers of recklessness and self-involvement.

2. Q: Who called the alarm to Montag's house?

A: Mildred and her friends, Mrs. Clara Phelps and Mrs. Ann Bowles

3. Q: What draws us all to fire, according to Beatty?

A: Speaking to Montag, Beatty talks about the properties of fire, and why it is so important to mankind: "What is there about fire that's so lovely? No matter what age we are, what draws us to it?" Beatty blew out the flame and lit it again. "It's perpetual motion; the thing man wanted to invent but never did. Or almost perpetual motion. If you let it go on, it'd burn our lifetimes out."

4. Who is Montag talking to while Beatty is talking to him, telling Montag he must burn his own house?

A: Faber

5. How does Montag feel as he torched his house?
