BART MILLARD singer songwriter for MercyMe *Leaving Prisons* David McCleary,2009-10 This edition of *The Flawless Leader* Papers discusses many aspects of our chosen transformations the release of our trapped value Regardless of the situation there is always a correlating personal transformation that if actuated will enable the leader to propel her organization toward the desired state When that personal change is ignored the organization follows the leader into a prison of immobility and confinement and the results are what we all see so often organizational cultures securely and obliviously stuck in rigidity lackluster productivity disunity and a general inability to live synchronously with their dreams and objectives The immovable reality is that if leaders do not effectively change themselves they will never be able to effect meaningful change in an organization without the organization suffering the diminishing effects that come from the use of immoral and tyrannical force P 4 of cover A Perfect Gibraltar Christopher D.
