 and places to do so that you can get the most out of your visit to Key West Key West is an island city and part of the Florida  
 Keys a chain of islands that stretches for about 290 km along the southern coast of Florida The city is located on the island of  
 Key West which is about 4 km wide and 6 km long Key West is located about 150 km south of Miami and is the southernmost  
 city in the continental United States Key West had a brief moment of independence in U S history In 1982 the island city  
 declared independence as the Conch Republic Conch Repulik to protest against the U S government The protest arose due to  
 the fact that border controls at the Florida Keys Bridge as part of the War on Drugs led to traffic disruptions and economic  
 losses for the city The Declaration of Independence was accompanied by a humorous act in which a man in a pirate costume  
 threw a two way radio keyboard at a U S customs officer after he announced the closure of the border Key West then  
 declared its independence and declared war on the United States Although the conflict was quickly resolved the Conch  
 Repulik has its place in history and is now part of the local culture and identity     **Insiders' Guide to the Florida Keys
