Beyond Flesh Jack Dann, Gardner R. Dozois, 2002 This collection of stories predicts a future where the human race no longer evolves it upgrades In this astonishing anthology a host of the world's most expert dreamers take readers to a future of virtual humanity where new technology will free humankind from the boundaries of the flesh Contributors include Poul Anderson Greg Egan Robert Reed and Stephan Baxter Original *Artists' Video* Electronic Arts Intermix (Organization), 1991 A catalogue of the Electronic Arts Intermix collection of artists videotapes

Fluence Stephen Oram, 2015-06 Amber is young and ambitious Martin is burnt out by years of struggling She cheats to get what she wants while he barely clings on to what he has It's the week before the annual Pay Day when strata positions are decided by the controlling corporations The social media feed is frenetic with people trying to boost their influence rating while those above the strata and those who've opted out pursue their own manipulative goals Set in a dystopian London *Fluence* is a story of aspiration and desperation and of power seen and unseen It's a story of control and consequence It's the story of the extremes to which Amber and Martin are prepared to go in these last ten thousand minutes before Pay Day

Platformed Kelsey Josund, 2021-05-08 Silicon Valley in the 2030s is not so different from today filled with vaguely sexist CEOs contested inequality politics and startups that are almost a joke After she loses her job when her startup folds and loses her home to California's annual wildfires Sara joins the latest thing an unnamed tech giant's quasi utopian community floating above the drowned land that was once Monterey Alone on the inside with a thousand mysteriously chosen strangers Sara is insulated by an all powerful corporation from the turmoil of crumbling governments and a changing climate Everyone around her seems incredibly thankful rescued from gig work and student

loans and bad news but she can't find her own gratitude As she learns more about her new home she begins to see the cracks in its perfect facade She must choose between surveillance and lies from the anonymous algorithms that protect her or face a vulnerable life outside the system to which she has signed away her next five years Leaving she learns may not even be an option

The Stolen, 2015 Readers say Amanda Witt has done it again crafting a story that is impossible to predict and even harder to put down This deserves a mass audience This series has quickly become one of my favorites A fresh and engaging story Appeals to a wide range of ages No sexually explicit scenes no profanity some violence and disturbing situations Separated from her home and friends Red faces heartache and danger in her search for answers Is she doomed to be an outcast wherever she goes THE STOLEN is the second book in THE RED SERIES a collection of four thrillers set in the near future and following seventeen year old Red By turns heart pounding haunting whimsical and hopeful the series offers an unusual take on the contemporary dystopia genre All four novels are available in ebook and print form Series order The Watch Book One The Stolen Book Two The Watchmaker Book Three The Forgotten Book Four *The Circle* Dave Eggers, 2013-10-10 NOW A MAJOR MOTION PICTURE starring Tom Hanks Emma Watson and John Boyega THE NEW YORK TIMES BESTSELLER a dark thrilling and unputdownable novel about our obsession with the internet Prepare to be addicted Daily Mail A gripping and highly unsettling read Sunday Times The Circle is Brave New World for our brave new world Fast witty and troubling Washington Post When Mae is hired to work for the Circle the world's most powerful internet company she feels she's been given the opportunity of a lifetime Run out of a sprawling California campus the Circle links users personal emails social media and finances with their universal operating system resulting in one online identity and a new age of transparency Mae can't believe her great fortune to work for them even as life beyond the campus grows distant even as a strange encounter with a colleague leaves her shaken even as her role at the Circle becomes increasingly public An elegantly told compulsively readable parable for the 21st Century Vanity Fair Immensely readable and very timely Metro Prescient important and enjoyable a deft modern synthesis of Swiftian wit with Orwellian prognostication Guardian

The Power Naomi Alderman, 2016 In The Power the world is a recognizable place there's a rich Nigerian kid who larks around the family pool a foster girl whose religious parents hide their true nature a local American politician a tough London girl from a tricky family But something vital has changed causing their lives to converge with devastating effects Now with the flick of a switch teenage girls can cause agonizing pain and even death And with this small twist of nature the world changes utterly This extraordinary novel by Naomi Alderman a Sunday Times Young Writer of the Year and Granta Best of Young British writer is not only a gripping story of how the world would change if physical power was in the hands of women but also exposes with breath taking daring our contemporary world

In the Country of Last Things Paul Auster, 1988-05-02 From the author of the forthcoming 4 3 2 1 A Novel a spare powerful intensely visionary novel about the bare bones conditions of survival In a distant and unsettling future Anna Blume is on a mission in an unnamed city of chaos and disaster

Its destitute inhabitants scavenge garbage for food and shelter no industry exists and an elusive government provides nothing but corruption Anna wades through the filth to find her long lost brother a one time journalist who may or may not be alive New York Times bestselling author Paul Auster The New York Trilogy shows us a disturbing Hobbesian society in this dystopian post apocalyptic novel
