People's Choice Literature Tom Comitta, 2025-06-03 What do Americans truly want in a novel What would it look like if their preferences and aversions materialized in book form In People s Choice Literature Tom Comitta has taken up this challenge writing two groundbreaking novels based on a nationwide poll about literary taste one featuring the story elements Americans most desire and another containing everything Americans despise

The Most Wanted Novel is a fast paced thriller evoking page turners by Dan Brown David Baldacci and Janet Evanovich It follows a California woman pulled into a tech tycoon s apocalyptic ambitions after her brother s kidnapping teaming up with a hunky FBI agent with a tragic past

The Most Unwanted Novel is a genre bending doorstopper an epistolary Christmas novel set on a near future Mars where elderly aristocratic tennis players scour the globe for lost love venturing from the coldest of arctic wastelands to the darkest caverns of the macabre

Various recalling Kathy Acker C sar Aira and Philip K Dick it features sentient robots talking animals and a hundred page collection of horror stories

People s Choice Literature is inspired by the artists Komar and Melamid who created two now infamous paintings based on opinion polling A similar experiment by Dave Soldier produced The Most Wanted Song and The Most Unwanted Song Comitta has adapted these methods to fiction drawing on readers preferences about everything from genre to verb tense to characters identity and incorporating machine learning data and passages written in collaboration with a large language model
