

A scenic landscape featuring a calm lake in the foreground, surrounded by dense evergreen forests. In the background, majestic mountains rise under a sky filled with dramatic, dark clouds, with a bright light source breaking through near the horizon. The overall mood is contemplative and powerful.

One moment changes everything.
One day can ruin forever. That
one day changed us forever.

A Dream of Magic J. Megan Smith, 2021-10-01 Blackstar Guardians Warriors chosen for their inherent protectiveness and deeply held honor, they are men and women who willingly fight the darkness to safeguard those they love. A woman looking for clues to the past, Aisley Montclair, was on a mission to save her father from a baffling illness. Her journey took her to the east into a land far different than anything she'd ever known, where she found an enemy, questions about who she really was, and the man who had haunted every night of her life. She had never believed the man in her dreams was actually real, and yet there he was. Handsome and charming, he was an enigma determined to claim her as his. And a man more than he seems, Cadrian Ethanael, had waited eons for his Seraphin, the woman who held a piece of his soul within her own. He knew her for what she was the moment he started seeing her within his dreams, and when she stumbled through his gates and into his arms, he knew that he would do anything to keep her there. Leader of a band of warriors who had spent eternities protecting the world from evil, he never hesitated in giving his aid to safeguard her from harm and help find the answers she desperately needed. Answers that will change everything for her. A light, cozy fantasy romance with humor, heart, and a swirl of magic. No Low Spice Fade to Black romance.
