Nothing Lasts Forever Robert Steiner,2014-03-18 These three novellas each shimmer with exactitudes of falling out of love and falling into death as existence at critical moments renounces normal life for moments of absolute desire These are narratives of obsession and calamity Lovers and wives are at the edge of themselves saying the unsayable doing the undoable challenging us to keep our eyes open to the disintegration and pain At the core of each tale is an erotic intensity The prose is urgent The stories are unforgettable Into the Green Ocean Deep sees a man s last days with a dying lover as they engage in a final burst of transgressive eroticism Negative Space recites the anguished thoughts of a man whose wife of twenty years has confessed her love for someone else as she packs to leave In Inviolate a wife suffers the imminent death of her husband from a fall that has left him comatose Once coma defined the limit of her husband s existence for the rest of it he was as well as he would ever be and so his wife at the foot of the bed observed that this was as good as he was going to look

Love & Consequences BJ Harvey,2023-11-12 A year ago I let my heart overrule my head and I made an error in judgment that cost me everything I d ever worked for Then I screwed up again trying to save my career and lost the last ally I had left Just as I m slowly rebuilding the life I spectacularly destroyed I m sent back to the scene of the crime to go undercover in the hottest new club on what seems like an open shut skimming case But as always nothing is as it seems Especially when I cross paths with the very last person who wants to see me Marlee Manning The biggest distraction and risk to my cover just happens to be the girl who enamored me as a kid enchanted me at twenty and used to be the one constant presence in my life loving me unconditionally until I broke her heart her trust and everything else Now we need each other to help bring down a man who could be the most dangerous man on the Strip The problem is we don t know what we re up against and the deeper I get into the life the more I realize that the stakes are higher than ever Not just for me but for her and any future we might have Because if I m not careful this case this chance this journey toward redemption could very well end up being my last
