Apocalypse Daddy Mark Fielding, 2023-02-28 Enough already Who ripped your fun out of fatherhood When did parenting become a war of attrition Didn't you get the memo Being a dad is the best damn thing that will ever happen to you It's the story of a lifetime It's your own personal Once Upon a Time You're the director The screenwriter You write the first act the second act the third act Do you want a happy beginning middle and end Then write one But you're going to have to work for it Push yourself beyond what you believe possible Invest in your daughter Invest in your son Invest in yourself When your kids time comes and if Epictetus has taught us anything their time will come when they grow up no matter what will they know you tried your best Will you have kept those promises you made at 3 a.m. in the dark on a chill Tuesday morning in April as you sang lullabies into the delicate ear of that sleeping fragile lump of life you call your daughter I'm like you I'm a father I'm a parent I want what's best for my kids And I'll go to the end of the world to make that a reality Because it's not the end of your world but what if it was The Apocalypse Daddy isn't your traditional guide to fatherhood You'll find zero nappy reviews You won't read about car seats and bottle feeding and how to manage your sleep You won't get a breakdown of the latest gadgets or the top 5 fatherhood mishaps They'll be nothing about pregnancy or which pushchair to buy I don't care what's on your breakfast menu You'll get something much better than that Something much more actionable and powerful You'll get a reminder that the best stories are written in childhood You'll get a story about Quentin Tarantino and Reservoir Dogs and Stoicism and the ancient courts and emperors and Seneca and Diogenes and Epictetus and Aurelius You'll learn about the power of running circles in your backyard and playing in grass with your children You'll read about the magic of sleep deprivation and dreams of running and jumping and playing of holidays and the never ending chaos that always ends too soon Part love letter to his children part alternative parenting guide part stoic meditation part psychotic breakdown Apocalypse Daddy is the story of a father and his daughter and how one Spring can last a lifetime Joining Apocalypse Daddy is a cast of cultural icons scientists musicians dead kings and Schrödinger's cat Can Buddha Seneca Epictetus Bob Dylan Diogenes Richard Nixon Peter Rabbit Alfred Hitchcock Jimi Hendrix and Hunter S Thompson help Apocalypse Daddy overcome the odds and bring education home Is there enough time for Alice and Luca to teach Apocalypse Daddy about the meaning of life and what being a parent is really about Undistracted In the moment

The ^AOxford Handbook of the Disney Musical Dominic Broomfield-McHugh,Colleen Montgomery,2025-03-28 The Oxford Handbook of the Disney Musical both celebrates and critiques one of the most enduring global phenomena and considers many of the

studio's most popular animated films as well as Disney's extraordinarily rich activities such as video games, theme parks, and television. By using new insights from the archives and bringing together a range of disciplinary perspectives, the Handbook presents an accessible but rigorous exploration of a century of cultural impact of the Walt Disney Company. **Commercial and Popular Music in Higher Education** Jonathan R. Kladder, 2022-06-15 *Commercial and Popular Music in Higher Education* brings together working examples of pedagogy in emerging areas of popular and commercial music to offer practical insights and provide a theoretical framework for today's music educators. Written by a diverse group of experts, the eight chapters address a range of contemporary contexts including digital instrument ensembles, digital audio workstations, hip-hop courses, pop vocal performance, rock bands, studio production, and more. Considering both the challenges and the benefits of integrating commercial and popular music into teaching, the contributors explore how doing so can enhance student learning. The authors show how a constructivist approach to music pedagogy enables student-led, real-world learning in higher education and consider how diversity, equity, and inclusion intersect with teaching popular music performance. Compiling experiences and expert resources, this book provides a vital framework for all instructors teaching commercial and popular music. *Changing the Score* Hilary Poriss, 2009-08-26 This study is the first to explore the significance of aria insertion, the practice that allowed singers to introduce music of their own choice into productions of Italian opera during the nineteenth century. Each chapter investigates this practice from varying perspectives and through the experiences of some of the century's most famous prima donnas.
