

The Acheson Report (1998)

- It was a very comprehensive survey of those in society described as disadvantaged.
- Its findings mirrored those of the Black Report.
- The root cause of inequalities in health was poverty.
- It concluded that in order improve the health of millions, the gap between the richest and poorest in UK society had to be reduced.

Paul Bywaters, Eileen McLeod

Full Acheson Report 1998:

Social Work, Health and Equality Paul Bywaters, Eileen McLeod, 2012-10-12 What impact can social work make on inequalities in health Social Work Health and Equality opens up a new direction in the practice and theory of social work Focussing on the profound human suffering which arises from social inequalities in health it shows how social work can make a significant contribution to creating more equal experiences of health and illness describes the major shifts in conceptualisation practice and organisation necessary to bring about change The authors explore these questions in relation to four key aspects of health health maintenance illness at home hospitalisation and facing death Grounding the text in everyday lived experience they show how social work must change its discourse and its practice if it is to respond effectively to the challenges of its new role in tackling health issues

The Social Construction of Community Nursing Anne Kelly, Anthea Symonds, 2017-03-14 At a time of great change the moves towards a primary healthcare led NHS are challenging nurses to rethink their roles organisation and strategy This book combines an analysis of policies which have shaped community nursing from the 19th century with an exploration of recent trends and developments Illustrated throughout with examples of present responses to current policies this book will be invaluable for all community nurses both practising and student as well as for policy makers and sociologists

The Blackwell Companion to Medical Sociology William C. Cockerham, 2008-05-12 The Blackwell Companion to Medical Sociology is a comprehensive collection of twenty six original essays by leading medical sociologists from all over the world The articles are organized both topically and by region to provide thorough coverage of the concerns issues and future directions of the discipline This invaluable resource is the most informed complete and up to date reference on transnational medical sociology available today Covers both substantive areas in medical sociology and regional perspectives located in the Americas Europe the Middle East Asia and Africa First comparative perspective to provide a comprehensive view of the field

Children, Bereavement and Trauma Paul Barnard, Julie Nagy, Ian Morland, 1999 The recognition of children's natural resilience as fundamental to their ability to cope with trauma is central to this book Deriving from the authors experience of working with bereaved children the book promotes the idea of healthy coping and explores ways in which children and their families can be enabled to do this

Sociology in Nursing and Healthcare E-Book Hannah Cooke, 2008-05-23 This title is directed primarily towards health care professionals outside of the United States Nursing practice needs to be informed by an understanding of people and the societies in which they live This introductory text has been designed specifically to discuss those aspects of sociology which are most relevant to nursing and the health care context in which it takes place A user friendly introduction to a subject which students often find strange and new Relates sociology to health and nursing to make the subject relevant to clinical practice Key concepts and chapter summaries aid learning and revision Case studies help relate theory to practice Reference lists in each chapter provide the evidence base Biographical notes on eminent sociologists help bring the subject

to life Annotated Further Reading enables more in depth study **Advanced Health and Social Care** Neil Moonie,2000
This student textbook matches the mandatory units and key skills of the GNVQ in Health and Social Care qualification advanced level This revised edition contains information on key areas Chapters and sub chapters match the headings in the AVCE specifications to ensure students find their way easily through the book Every chapter contains case studies about real organizations so that students can see how the theory they are learning is used every day in the real world **Disability in Pregnancy and Childbirth** Stella Frances McKay-Moffat,2007-10-10 This title is directed primarily towards health care professionals outside of the United States A first in Midwifery publishing No other book advises midwives on the special needs of mothers with disabilities Although an increasing number of women with disabilities are having children the needs of this minority group are not always being effectively met Disability in Pregnancy and Childbirth provides essential practical information to healthcare professionals working with this group The first book on maternity care for women with additional or alternative needs A practical resource for all working with pregnant women and mothers Reflects the lived experiences of women with disabilities Written by experts in the field Holistic content Looks at professional attitudes as well as the woman s needs **Pharmacy Practice** Geoffrey Harding, Kevin M. G. Taylor,2017-08-15 This book discusses the many factors impinging on daily practice and the place of pharmacy in the delivery of health care It goes beyond simply practice and draws on a diverse range of disciplines including sociology social policy psychology anthropology history and health economics with each contributor bringing a unique perspective and insight into the practice In this fully updated edition the content and presentation have been thoroughly revised and new material added to reflect the many changes that have occurred particularly in pharmacy and health policy and professional regulation and development Safeguarding and Protecting Children, Young People and Families Gill Watson, Sandra Rodwell,2014-03-14 Safeguarding and protecting the welfare of children is a statutory duty for all nurses and midwives This book helps equip student nurses and midwives with the confidence knowledge and skills needed for working with families to support and protect children It covers the full spectrum of safeguarding work from professional issues such as boundaries and confidentiality through to attachment and communication Key features A clear explanation of the policy and key theories informing safeguarding work Consideration of the common challenges you are likely to face such as vulnerability in pregnancy domestic violence and parenting capacity Reflective activities and case histories which help you to develop and enhance your own practice The book also considers multi agency working and includes important coverage on professional issues like boundaries confidentiality referral and accountability Written with clarity and accuracy the authors have produced an important resource suitable for any nurse or midwife preparing to work with children and families **Key Themes in Health and Social Care** Adam Barnard, Verusca Calabria, Louise Griffiths,2023-04-10 This revised and expanded second edition of Key Themes in Health and Social Care is a learning resource for students in health and social care It provides an overview of foundational issues and core themes in the

field and introduces key areas of debate moving from an introductory level to in depth discussion as the book progresses. Divided into three parts the first part sets the scene addressing introductory psychology and sociology social policy equality and diversity skills for practice and working with people the second part considers key themes such as mental health and wellbeing management of services the relationship between place and wellbeing research in health and social care and person centred interventions the third part looks at discrete areas of practice such as mental health ageing leading and managing health and social care working with vulnerable populations and health promotion. Each chapter begins with an outline of the content and learning outcomes and includes reflective exercises to allow students to reflect on what they have read review their learning and consolidate their understanding. Time pressed readers wanting to dip into the book for relevant areas can do so but read from cover to cover the book provides a comprehensive introduction to the key areas of contemporary health and social care practice. It will be particularly helpful for students undertaking health and social care undergraduate and foundation degrees.
