Stevens based on an idea from Chadwick himself was composed in 1912 it was strongly influenced by the verismo operas of the time such as Leoncavallo's *Pagliacci* and Puccini's *Tosca* which attempted to bring to opera the naturalism of such late nineteenth-century writers as Zola and Ibsen *The Padrone* is set in an American city presumably the North End of Boston in the present The story a tragic tale in two acts with an orchestral interlude revolves around a ruthless member of the Italian community the *padrone* and his exploitation of more recently arrived immigrants Chadwick composed *The Padrone* for submission to the Metropolitan Opera Company in New York but the opera was rejected probably because of its gritty realism and was never staged during Chadwick's lifetime *The Padrone* exists only in manuscript form and has never been published its only public performance so far took place in 1997 In contrast to American operas of its generation that dramatize myths and legends from the ancient past *The Padrone* brings a modern story to the stage set to music of dramatic power and superb craftsmanship *Brahms* John Bell Young, 2017-01-18 Engaging survey covers Brahms' major orchestral, choral and piano music culminating in a discussion of the German Requiem Commentary places the composer's compelling music within the context of his era and environment
