Fun Memories Marcia Batiste, 2014-11-06 Write all that is interesting to you or record information *What If...I'm Not Real?* Cheyann Rose, 2021-02-03 Each one of us arrive as a blank slate clean pure and unique individuals born with the purpose to be who we really are Yet from the time we are born we are nursed from fear's sour milk as the world's programming begins Upon this blank slate is piled generations of thoughts beliefs and cultural ways of life that begin to cover who we came to be As a result we transform into an imposter or fake challenged with not knowing our true identity or how to find it Within a two part presentation inspired by her journey through pain and struggles to find inner peace Cheyann Rose shares personal anecdotes to help others find the courage to remove all that holds them back from discovering who they really are a radiant beautiful being just waiting to be seen recognized and appreciated Cheyann begins by revealing the memories of the life she thought she lived followed by a revealing of what really happened Within each chapter she offers memories truths and lessons that helped her ultimately remember who she was in truth What If I m Not Real shares the poignant true story of one woman's brave quest to grab the truth and reclaim her authentic self **Many More Funny**

Things B. E. White, Jr., 2014-08-29 After his first book Dr White thought that he had exhausted his memory of funny things in his life and ministry but with the passing of time he has remembered many more funny things He has written them down to make us laugh out loud and silently reflect on what they have to say Brightie White tells amusing and interesting story after story about people in and out of the church You may have a hard time believing that some of the stories are true but if you can't believe a preacher whom can you believe Most of the stories are humorous but some of them are unusual All are about real people and the way religion makes them act Lessons can be learned from their antics and how things used to be and sometimes still are during the years of the author's life **Soul Shaping** Kimberly Sowell, 2011-06-01 Moms need more time

Wells, 2009-11-16 Blessed Be is a true story and Christian testimony of Judy Ann Julia Wells Julia is a hard working wife mother and grandmother She commutes eighty miles round trip to her job at a Gottschalk's Department Store in Carson City Nevada Her story begins with the introduction explaining how Roger her husband of 30 years has been diagnosed with cancer

and how the Lord put it on Julia's heart to write this book. The story then reflects back to her childhood and family background. It tells of a small girl's insecurities. Her story is one of abandonment, abuse, molestation, and losses. This is a fast-paced story that gives you reason to laugh while rubbing the tears from your eyes. Julia's story goes on to tell of her love for music, which gives her the courage to write to Elvis Presley about what is happening in her life. It tells how Elvis became personally involved. She explains how she continued to look for love and acceptance in all the wrong places. While looking for her father or a father-like image, the Lord was knocking on the door to her heart. It tells a common story of finding God, then taking Him for granted. Putting the Lord on a shelf like an old, used Bible, to collect dust and only praying or asking, "Why me" when problems occur in her life. When Julia learned that she was a co-dependent and was fighting with depression, the Lord knocks her feet out from under her. That is when He spoke to her, saying, "I picked you up and I carried you. I am with you and I forgive you." The Lord continued to work miracles in Julia's life by healing her of cancer. The Lord gave her the strength and faith to make it through four deaths in twenty-one days while having oral surgery and living in a tent trailer with no running water. If that wasn't enough, He sent a guardian angel to protect her from an impending auto accident, and the blessings continued. So many things happened in Julia's life that almost anyone can relate to some part of her story. It's a must-read for anyone who has suffered from childhood abuse, molestation, dependency, or codependency. Julia is a member of Al-Anon; she has been an Al-Anon sponsor. She has been a Sunday school teacher. Julia's greatest blessing is the love of her Father, God, and her family. This book has song lyrics and scriptures that work with her story or chapters. There are poems that Julia wrote during the times of which she's telling you about in her book. And of course, there is that testimony and witness that her prayers will reach the people to whom the Lord has intended.
