**Great Expectations** David Dasari,Pushpa Dasari,2019-04-12 Have you ever wondered whether your marriage could have an impact beyond yourself and your immediate family This question became embedded in our minds after listening to a talk by Gary Thomas author of Sacred Marriage A Lifelong Love on a Christian radio channel where he asked listeners to ponder the question of whether God created marriage for our holiness rather than for our happiness The idea for this marriage programme was therefore birthed from pondering the question What if *Staying Power* Carol Kent,Gene Kent,Cindy Lambert,David Lambert,2020-03-31 Too often when a life crisis hits a marriage suffers even a healthy one and all the personality profiles and couples therapy in the world won't keep your marriage from experiencing the tough stuff So how do you and your spouse face the stresses put on your marriage and not only stay together but come out on the other side even more loving and committed In *Staying Power* two longtime couples offer insights skills and clear direction so that you can respond to trials in a way that strengthens rather than weakens your marriage They show you how to handle anger creatively forgive freely and persevere together nurture one another in powerful ways learn new techniques for connecting both verbally and nonverbally in the midst of crisis and much more Don't let financial trouble infertility health challenges parenting cares addiction of a loved one or heartbreaking loss destroy your marriage Instead learn how through your strong relationship you can overcome all of life's curveballs together *Lady in Waiting* Jackie Kendall,2012-03-20 You hold in your hands a fresh and exciting way to enhance your personal life and enrich your spiritual journey This expanded edition of *Lady in Waiting* includes Original text of the best selling book complete and unabridged Complete Study Guide Learn how to apply the principles taught in *Lady in Waiting* These questions quotes thoughts and teachings will help you to become the woman of God that He designed you to be You can also record your spiritual growth in a specially designed journal section Don't miss this opportunity to become God's lady in waiting *Forty Day Meditational Journal* This section offers profound motivational truths from some of the greatest women of God in the history of the Church with meditative readings to help you live in the presence of the Lord every day Quiet meditation contemplative prayer and careful study will help you receive the full benefit from spiritual truth and this new edition assists with all three When you give yourself to the Lord through the pages of this book the spiritual truths you gain will bring you to new places in your experience with God and prepare you for deeper levels of loving relationships *The Walk Out Woman* Dr. Steve Stephens,Alice Gray,2009-01-21 Every woman longs to be appreciated respected and adored but when her needs aren't met within her marriage she could be tempted to walk

away As little hurts and disappointments accumulate and her heart hardens a woman's loneliness and vulnerability take over and she might find emotional fulfillment elsewhere perhaps in even a casual encounter with another man When the marriage enters this realm of real danger the woman believes it will be less painful to walk away than try to work on it With heart and wisdom Dr Steve Stephens and Alice Gray offer practical advice for how to stop this epidemic of walk out women They outline the warning signs of severe marital discontent and share how to reconnect with your spouse communicate your hurt and open your heart If both partners are willing to work at it any marriage can be saved Are You Even Thinking About Walking Out I'm at the point where I don't think it is worth the effort anymore The only reason I'm staying is because of the children Surely God doesn't want me to be this unhappy Every woman longs to be appreciated valued and cared for When these needs go unmet she may be tempted to leave the husband she once loved but walking out is seldom the path to happiness Like trusted friends Dr Steve Stephens and Alice Gray offer wise and gentle advice to restore hope to your marriage You'll discover proven methods for how you can move toward each other rather than away build up instead of tear down and find love rather than lose it Story Behind the Book Although a growing number of women are walking away from their marriages there are no books to help them realize that this is not the path to happiness A woman's discontentment settles like dust on furniture and although she tries she fails to make her husband understand His responses seem too little and too late Many women mistakenly believe it is easier emotionally to leave the marriage than try to restore it We want a woman to realize that even when her heart seems closed to her husband there is a way to open it and become one again Loss of love does not equal loss of marriage Loss of hope does not mean the relationship should be abandoned
