Once and Future Age Joe Richardson,2013-11 By no means do I think that the mythos I've developed is the only one for you. There are many works that get you off commonly accepted paradigms and from these sources you may be able to take a little here and a little there in the search for what personally makes sense. Many of the books and films I deem valuable are cited within this text. But as to why I believe the information encased herein to be important I must say that what I have seen for explanations of reality outside of my own belief structure still leaves many areas unexamined so I included a number of sources perhaps in total they will amount to something greater than their individual parts. Also in many correct and important theories the ideas I have come in contact with do not go far enough I see doors that I want to make ajar windows that I seek to get unstuck like a whale I always want to dive deeper. And so my promise to you as the reader is that you'll have an opportunity to see subjects that you may have thought you knew portrayed in a different light interpretations coming from a different angle and ideas new to you.

Battling the Storm Carlos Wingate,2012-10-31 This book is about a man who in his heart found himself convicted by God and wanted to get his life back on track. Along his journey God revealed Himself and gave him insight and understandings well beyond what he had ever hoped for. Because God repaired his fractured life and restored his soul he felt an obligation to share his testimony and to pass this information along to all who will read it to help them to do the same. What he found out was that the world is not what it portrays itself to be. Many struggle and have no clue as to why they are struggling and furthermore have no clue where to begin to right their ship. This book puts God, your life and this world into a perspective that is easily understood so that you can withstand any storm that life may throw your way. It reveals things within Christianity that has been misunderstood and brings about clarity and enlightenment to your everyday living. This is not a book of fairytale or fantasy it is rooted in reality. It does not sell a dream of health and wealth but what it does is show you the way to achieving a peaceful life. Religion can enslave you and have you living in fear of eternal damnation just as many other things in this world. It can also inspire, empower and liberate you from anything that attempts to contain or control you. This book is designed to inspire, empower and liberate you so that this life and the afterlife can be enjoyed and not feared. It reveals a simple common sense no nonsense way to your future destiny. You are all invited and welcomed to take this life changing journey.

Dark Side Crossing Cule Hinder,2012-04-17 A modern historical fiction ranging between the 60's and the 80's in Britain and Europe. The core of the action deals with how the Paris Spring and Summer of Love of 1968 metamorphosed into the Baader Meinhof revolution and the death of a kind of innocence in Stammheim Prison in 1977-78. The narrative tracks a young man who took a wrong turn at the beginning of that time and found himself on a road without an exit until it reached its brutal end. Returning after 20 years of exile he looks up

an old friend only to find a corpse He contacts her church and finds a murderous cult He falls in love but brings danger to his lover's door His enemies have not forgotten him There is no escape from the dark side but he is determined to cross over To do so he must first confront the terrible events of his past Sharia Wa Minhaa-Jaa-Islamic Law Imam Yahya Shabazz,2016-05-27 This book Sharia wa Minhaa jaa Islamic Law was written for two reasons Firstly this book is to give the broader society a clear picture of Al Islam so they can see for themselves that all our faiths are the same The Ten Commandments of biblical scripture is right in tune with what I read in the Holy Quran Although our rituals may be different our faith is one Secondly this book will clear up a lot of political controversy because it is based primarily on the Quran itself Many politicians use sharia to put fear into the hearts of the people This books removes any doubt that Al Islam is the religion of peace Mythbreaker Stephen Blackmoore,2014-12-02 Louie Fitz Fitzsimmons is getting out of the drugs business It was never what you might call a career anyway he's got problems strange violent vivid hallucinations that have plagued him since he was a kid and what with one thing and another this is where he's ended up So he's been cooking Hollywood gangster Blake Kaplan's books and putting a little aside for a rainy day fifteen million give or take and he figures it's time to cut and run Until a vision hits at the worst possible moment and now he's in hospital and looking at a stretch in County on a possession charge Then a Lithuanian goddess of the hunt murders her way into the hospital and Fitz ends up on the run from a pissed off angel and there's new gods gods of business and the internet hunting him down and what started as a bad day gets a whole lot worse Because Fitz is a Chronicler a prophet a modern Moses or Hesiod with the power to make or break the gods themselves *Light of the Holy F.* John Hurr,2015-08-07 Book Two of The Light Trilogy If Richard Benton thought he could hide from the dark forces of Satan then he was wrong After the spiritual battle for Penrhos Bay in North Wales the young Reverend Richard Benton seeks solitude and peace in the highlands of Scotland Although Richard and his young wife who is pregnant with their first child are protected by Samuel a warrior angel sent from heaven they cannot escape the evil attention of Prince Rimmon and his devious demon Ganymede Every hour of every day dark forces track their very movements and when evil finally strikes even their guardian angel cannot save them Disaster follows and the couple find themselves in dire circumstances that prove sometimes evil can win and causes the light of the holy to become dimmed

The Rolling Stones and Philosophy Luke Dick,George A. Reisch,2011-11-07 From their commanding role in the so called British Invasion of the early 1960s to their status as the elder statesmen and British Knight of rock and roll the Stones have become more than an evanescent phenomenon in pop culture They have become a touchstone not only for the history of our times their performance at the Altamont Raceway marked the end of the sixties while their 1990 concert in Prague helped Czechoslovakia and other eastern bloc nations celebrate their newfound freedom and satisfaction out from under Moscow's thumb Because of their longevity the music and career of the Stones much more than The Beatles stand as touchstones in the personal lives of even casual Stones fans Everyone of a certain age remembers the Stones on Ed Sullivan

the death of founder Brian Jones their favorite songs concerts or videos and their stance in the classic Beatles versus Stones debates In the wake of Keith Richards s bestselling autobiography *Life* 2010 many are now reliving these events and decades from the viewpoint of the band s endearing and seemingly death defying guitarist The chapters in *The Rolling Stones and Philosophy* celebrate the Stones place in our lives by digging into the controversies the symbols and meanings the band and its songs have for so many What might you mean and what did Mick mean by sympathy for the Devil Did the Stones share any of the blame for the deaths at Altamont as critic Lester Bangs charged they did in *Rolling Stone* magazine What theories of ethics and personality lay behind the good boy image of the Beatles and the bad boy reputation the Stones acquired If Keith Richards really had his blood replaced four separate times does that make him a zombie How do the Glimmer Twins help us refine our understanding of friendship Written by a dozen philosophers and scholars who adore the Rolling Stones not only for their music this book will become required reading for anyone seeking maximum satisfaction from the world s greatest rock and roll band
