## **Hosa Sports Medicine Study Guide:**

Sports Medicine, Second Edition Jonathan T. Finnoff, Mark A. Harrast, 2016-08-09 Now in its second edition Sports Medicine Study Guide and Review for Boards is the leading comprehensive review text surveying the breadth of non-surgical sports medicine. Covering topics pertinent to and found on the Sports Medicine board examination, the book is intended as a primary study tool for candidates preparing for the exam or recertification. All of the subject areas tested on the boards are represented, including basic science and general procedures, health promotion and preventive interventions, emergency assessment and care, and diagnosis, management and treatment of the full range of sports-related injuries and conditions. The editors have used the exam content outline as a blueprint for organizing the book so the space allotted to each chapter reflects the corresponding emphasis of the topic on the exam. For the Second Edition, all chapters have been completely revised and updated to reflect the latest information and practice guidelines. A new section devoted to Hot Topics features new chapters on regenerative medicine and sports ultrasound, two rapidly expanding areas. This edition also contains a practice test with over 250 questions to help candidates identify knowledge gaps and fine-tune test-taking skills prior to the examination. This proven resource for board review, program or practical use provides the concise, high-yield facts that residents, fellows, trainees, and clinicians in any discipline need to supplement their training in non-operative sports medicine.

**Key Features:** Written in outline format for easy access to pertinent information. Provides a comprehensive review of all topics covered on the Sports Medicine Board examination. Editors and contributors are renowned experts and teachers in the field of sports medicine and relevant medical and surgical specialties. Includes more than 100 figures and tables to illustrate key points and enhance learning. New practice test assesses clinical knowledge and assists with final preparation for boards, MOC, or in training exams.

**Sports Medicine** Mark A. Harrast, Jonathan T. Finnoff, 2021-10-25 This book is a concise, high-yield review book for anyone preparing for the sports medicine board examinations. Having personally used the second edition, the third edition's updated information and the addition of rationales and explanations for answers to the practice test will be especially useful for the studying practitioner. Doody's Review Service 4 stars. Now in its third edition, Sports Medicine Study Guide and Review for Boards continues as the leading review text, offering a focused survey of non-surgical sports medicine topics. Updated throughout to reflect current sports science protocols and practice, this book covers all topics related to and found on the Sports Medicine CAQ examination. Written in outline format for targeted review, the book serves as a primary study tool for candidates preparing for initial certification or recertification, as well as those wanting to supplement their training in sports medicine. Organized according to the exam blueprint, with topics weighted to reflect their emphasis on the test, sections cover all subject areas found on the boards, including basic science and general procedures, health promotion and preventative aspects, emergency assessment and care, and diagnosis, management and treatment for the full range of sports-related injuries and conditions. A final sub-section on emerging topics in the field includes chapters on regenerative

medicine sports ultrasound and a newly added chapter on exercise as medicine The book also contains a practice test of over 260 questions new to this edition with an answer key and detailed rationales for candidates to assess clinical knowledge and assist with final preparation for boards Loaded with high yield facts throughout this proven resource is fit for any student trainee or clinician preparing for boards MOC or in training exams Key Features Offers comprehensive coverage of all topics tested on the Sports Medicine CAQ examination Encourages targeted review through easy to read outline format Illustrates key points with over 100 figures and tables for enhanced learning Contains full practice test with 260 questions answers and explanations Purchase includes digital access for use on most mobile devices or computers **Sports Medicine** Mark A.
