Prange, Donata Vianelli**

International Marketing Strategy 3rd Edition:

International Marketing: Analysis And Strategy 3Rd Ed. Onkvisit,2005 **Global Marketing** Ilan Alon,Eugene Jaffe,Christiane Prange,Donata Vianelli,2020-08-19 Global Marketing 3rd edition provides students with a truly international treatment of the key principles that every marketing manager should grasp International markets present different challenges that require a marketer to think strategically and apply tools and techniques creatively in order to respond decisively within a fiercely competitive environment Alon et al provide students with everything they need to rise to the challenge Coverage of small and medium enterprises as well as multinational corporations where much of the growth in international trade and global marketing has occurred A shift toward greater consideration of services marketing as more companies move away from manufacturing A shift from developed markets to emerging markets with more dynamic environments A focus on emerging markets to equip students with the skills necessary to take advantage of the opportunities that these rapidly growing regions present Chapters on social media innovation and technology teaching students how to incorporate these new tools into their marketing strategy New material on sustainability ethics and corporate social responsibility key values for any modern business Short and long cases and examples throughout the text show students how these principles and techniques are applied in the real world Covering key topics not found in competing books Global Marketing will equip today s students with the knowledge and confidence they need to become leading marketing managers A companion website features an instructor s manual with test questions as well as additional exercises and examples for in class use International Marketing Sak Onkvisit,John J. Shaw,1989 This fourth edition of International Marketing has been written to enable managers and scholars to meet the international challenges they face every day and it provides the foundation required to understand the complexities of marketing on a global scale The book has been fully updated with topical case studies examples of contemporary marketing campaigns the most relevant discussion topics as well as the most up to date theories references and research findings It is this combination of theory and practice that makes this textbook truly unique presenting a fully rounded view of the topic rather than an anecdotal or descriptive one alone **BOOK JACKET**
