

INTRODUCTION

Where operating and maintaining instruction on these items is required, it is included in the instructions for operating or maintaining the tractor. Disregard the instructions for equipment not on your tractor.

The illustrations in this manual are numbered to correspond with the pages on which they appear; for example, Illusts. 3, 3A and 3B are on page 3.

Throughout this manual the use of the terms LEFT, RIGHT, FRONT, and REAR must be understood to avoid confusion when following instructions. LEFT and RIGHT indicate the left and right sides of the tractor when facing forward in the driver's seat. Reference to FRONT indicates the radiator end of the tractor; to REAR the hitch end. See Illust. 3.

Illust. 3
Terms of location.

When in need of parts, always specify the tractor and engine serial numbers including prefix and suffix letters. The tractor serial number is stamped on a name plate attached to the right side of the clutch housing. See Illust. 3A.

Illust. 3A
Location of the tractor serial number.

The engine serial number is stamped on the right side of the engine crankcase above the battery ignition unit. See Illust. 3B. This serial number is preceded by the prefix C-123, which indicates that it is a carbureted engine with a 123 cubic-inch piston displacement.

Illust. 3B
Location of engine serial number.
