Intimate History Of Humanity:

An Intimate History of Humanity Theodore Zeldin, 2012-12-31 The book that changed my life a constant companion Bill Bailey Extraordinary and beautiful the most exciting and ambitious work of non fiction I have read in more than a decade The Daily Telegraph This extraordinarily wide ranging study looks at the dilemmas of life today and shows how they need not have arisen Portraits of living people and historical figures are placed alongside each other as Zeldin discusses how men and women have lost and regained hope how they have learnt to have interesting conversations how some have acquired an immunity to loneliness how new forms of love and desire have been invented how respect has become more valued than power how the art of escaping from one's troubles has developed why even the privileged are often gloomy and why parents and children are changing their minds about what they want from each other Encyclopedia of Historians and Historical Writing Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies **The SAGE Handbook of Hospitality Management** Roy C Wood, Bob Brotherton, 2008-06-05 At last a comprehensive systematically organized Handbook which gives a reliable and critical guide to all aspects of one of the world's leading industries the hospitality industry The book focuses on key aspects of the hospitality management curriculum research and practice bringing together leading scholars throughout the world Each essay examines a theme or functional aspect of hospitality management and offers a critical overview of the principle ideas and issues that have contributed and continue to contribute within it Topics include The nature of hospitality and hospitality management The relationship of hospitality management to tourism leisure and education provision The current state of development of the international hospitality business The core activities of food beverage and accommodation management Research strategies in hospitality management Innovation and entrepreneurship trends The role of information technology The SAGE Handbook of Hospitality Management constitutes a single comprehensive source of reference which will satisfy the information needs of both specialists in the field and non specialists who require a contemporary introduction to the hospitality industry and its analysis Bob Brotherton formerly taught students of Hospitality and Tourism at Manchester Metropolitan University He has also taught Research Methods to Hospitality and Tourism students at a number of international institutions as a visiting lecturer Roy C Wood is based in the Oberoi Centre of Learning and Development India **A Philosophy of War** Alexander

Moseley, 2002 War's origins are complex they are found in the nebulous systems of thoughts generated in cultures over time But while reason and explication can unravel those origins and explain why man wages war the task of abolishing war can never be completed

Spiritual Dimensions of Bediuzzaman Said Nursi's Risale-i Nur Ibrahim M. Abu-Rabi', 2008-07-24 The Nur community is one of the most significant religious and social movements in contemporary Turkey with millions of adherents and a strong institutional and educational system throughout the country This volume presents a picture of its spiritual dimensions by focusing on the ideas of its founder Turkish theologian Bediuzzaman Said Nursi 1877-1960 Prominent scholars in contemporary Islamic studies and comparative spirituality examine the various facets of Nursi's spirituality as revealed in his magnum opus *Risale-i Nur* which began to take shape in the 1920s and is considered Nursi's deep reflection on the Quran in light of rapidly changing conditions in Turkey Nursi argued that Islam must be organically linked to empire in order to preserve its identity in the modern era fostering a spiritual tradition that has steadfastly survived the secular project of Kemalism

Understanding Creative Business Jim Shorthose, Neil Maycroft, 2016-02-17 From authors used to operating between the commercial public and independent sectors of the mixed cultural economy *Understanding Creative Business* bridges the gap between creative practice and mainstream business organisation entrepreneurship and management Using stories case studies and exercises it discusses the positioning of creative practice within professional and business development cultural policy making and the wider cultural economy and suggests what the broader field of business and management studies can learn from the informal structure and working practices of creative industries networks Consideration is given to how ethical and moral value orientations animate creative practice and how they play into the wider debate about social responsibilities within business and public policy The authors also explore the way creative business practices often coalesce around emergent and self-organized networks and how this signals alternative approaches to management entrepreneurship business organisation and collaboration Above all else this book is about relationships the practical examples expose the ways creative business can professionalise research develop and sustain routes to growth through open collaborative innovation and the lessons this holds for more general business innovation and policy engagements with the public domain Written in accessible language this book will be useful to researchers students educators and practitioners within the creative industries to those working within cultural policy arts and cultural management and to all with an interest in management and leadership

Happiness in Nineteenth-Century Ireland Mary Hatfield, 2021-02-13 One of the most enduring tropes of modern Irish history is the MOPE thesis the idea that the Irish were the Most Oppressed People Ever Political oppression forced emigration and endemic poverty have been central to the historiography of nineteenth-century Ireland This volume problematises the assumption of generalised misery and suggests the many different and often surprising ways in which Irish people sought out expressed and wrote about happiness Bringing together an international group of established and emerging scholars this volume considers the emerging field of the history

of emotion and what a history of happiness in Ireland might look like During the nineteenth century the concept of happiness denoted a degree of luck or good fortune but equally was associated with the positive feelings produced from living a good and moral life Happiness could be found in achieving wealth fame or political success but also in the relief of lulling a crying baby to sleep Reading happiness in historical context indicates more than a simple expression of contentment In personal correspondence diaries and novels the expression of happiness was laden with the expectations of audience and author and informed by cultural ideas about what one could or should be happy about This volume explores how the idea of happiness shaped social literary architectural and aesthetic aspirations across the century CONTRIBUTORS Ian d Alton Shannon Devlin Anne Dolan Simon Gallaher Paul Huddie Kerron Luain David McCready Ciara Thompson Andrew Tierney Kristina Varade Mai Yatani

History Anna Greenwood,2023-10-06 History has been a source of cultural fascination since ancient times however little attention has been paid to its potential as a positive force for health and wellbeing at least until now Presenting the benefits of historical engagement and practical tips for making the most of it Anna Greenwood considers the power this discipline has to spur better health outcomes A ground breaking work for history buffs and healthcare providers alike this new instalment in the Arts for Health series by one of the leading scholars in modern health history advocates for history s ability to deepen sympathies broaden imaginations and create community beyond the customary restrictions of time and geography

The Contemporary History Handbook Brian Brivati,Julia Buxton,Anthony Seldon,1996 This guide should be useful to those studying and researching modern history International and up to date it covers sources and controversies in the subject area and includes a section of useful addresses The volume is divided into three main sections which together comprise a reference work for contemporary historians

Rethinking the Racial Moment Barbara Brookes,Alison Holland,2011-05-25 In recent years race has fallen out of historiographical fashion being eclipsed by seemingly more benign terms such as culture ethnicity and difference This timely and highly readable collection of essays re energises the debate by carefully focusing our attention on local articulations of race and their intersections with colonialism and its aftermath In Rethinking the Racial Moment Essays on the Colonial Encounter Alison Holland and Barbara Brookes have produced a collection of studies that shift our historical understanding of colonialism in significant new directions Their generous and exciting brief will ensure that the book has immediate appeal for multiple readers engaged in critical theory as well as those more specifically involved in Australian and New Zealand history Collectively they offer new and invigorating approaches to understanding colonialism and cultural encounters in history via the interpretive not merely temporal frame of the moment
