

Introduction to Tikunei Zohar

Rabbi Shimon went and escaped to the wilderness of Lod. He and his son Rabbi Eliezer hid in a cave. There a miracle was done, a carob tree and a spring of water appeared. They ate from the carob tree and drank from the spring. Eliyahu the prophet let his remembrance be for good would come to them twice every day and teach them, and no man knew of them. It is written in Zohar Chadash section "Ki-Tevoah". And this is called the Rectification Zohar "Tikunei Zohar"¹. There are seventy faces to the *Torah* that Rabbi Shimon the son of Yochai explained from the secrets of the *Torah* on the word *וְהָיָה* (In the beginning).

Rabbi Shimon arose and opened up words (spoke) in front of the *Shechinah*. He opened up and said, "The enlightened shine like the shining of the firmament" (Dan. 12:3). "The enlightened", they are Rabbi Shimon and the friends. "Shine", this is when they gathered together to make this collection. Permission was given to them and to Eliyahu and all the souls of the heavenly schools to come down between them, and all the angels in concealment through the way of the mind.

And Supernal above Everything gave permission to all the holy names and all the *Havayah* and to all the nicknames to reveal to them the concealed secrets, each name on its level. And permission was given to the ten *sefirot* to reveal to them hidden secrets which was not given permission to reveal until the generation of Messiah.

We learnt "the enlightened will shine like the shining of the firmament" (Dan. 12:3); this is the hidden concealed light which is *Keter* (Crown). Light that shines in the sky is *Chochmah* (Wisdom). Light that throws sparks and shines like a flash to the eyes is *Binah* (Understanding). Light that is white like the moon is *Gedulah* (Chesed, Kindness). Light that shines like the red of mares is *Gevurah* (Strength). Glowing light that includes yellow like the sun is *Tiferet* (Beauty). Yellow light like mercury is *Netzach* (Victory). Light that includes black (other version: white) and red is *Hod* (Splendor). Light that shines to every side like someone who bangs a hammer that shoots sparks everywhere is *Yesod* (Foundation). From this light shines many souls that all shine in the firmament.

These are the souls from those enlightened; within them is the mind to understand the secrets of their master. All of them are sealed and shaped in the *Adalchut* (Kingship) of the firmament. "Like stars that shine in the heaven" (ibid.). And this is "shining like the shining of the firmament." What is "firmament"? It is the soul of the enlightened, shining like stars in the sky, so too the souls shine in the throne².

All of them fly from the firmament. And this is the *madrik* the life of the worlds, from him fly the souls of the righteous people, and they shine in the moon. And about them it is written, "And Elohim put them in the firmament of the heaven to shine on the land" (Gen 1:17).

And this is the firmament that is above the *Chayot* angels. About this it is written, "And from above the firmament which is on their heads" (Eze. 1:26). Switch around the letters of the word *מְרִקָּה* (firmament) to the word *מְרִיָּה* (the main, the most important). Upon the foundation of the (upper) chariot stand the *Chayot* and the throne of the (upper) chariot. About it is said, "The *madrik* is the foundation of the world" (Prov. 10:25). For the upper *madrik* (Page 1B) the hidden world exists. For the lower *madrik* the revealed world exists.

Self-Interest Vs. Altruism in the Global Era Michael Laitman, 2011-01-01 Self Interest vs Altruism in the Global Era regards the world's challenges as necessary consequences of humanity's growing egotism rather than a series of errors. The book suggests ways to use our egos for society's benefit rather than trying to suppress them. The book offers a novel understanding of humanity's existence on this planet, a bird's eye view of history as a record of humankind's growing egotism as well as a solution to our current social challenges.

Mysticism and Madness Zvi Mark, 2009-07-21 Two hundred years since Rabbi Nachman of Bratslav's demise, his philosophical writings and literary creation remain lively and provocative materials in both Jewish culture and the New Age movement. Key elements of Rabbi Nachman's magic and magnetic force are illuminated in this research, which presents Bratslavian mysticism as a unique link in the history of Jewish mysticism. The mystical worldview is the axis of this book, but its branches stretch out to key issues in the Bratslavian world, such as belief and imagination, dreams and the land of Israel, melodies and song.
