Operation Telic and the Liberation of

Iraq Dennis Alexander Abbott, 2024-10-30 Operation Telic and the Liberation of Iraq Operation Telic and the Liberation of Iraq is an anecdote packed daily diary recounting the author's experiences as a reserve officer and media handler with 7 armored the Desert Rats and 19 Mechanized Brigade in 2003 A journalist in uniform Abbott provides an insider outsider account of British Army media ops in southern Iraq during the immediate post conflict phase With a sharp eye for detail Abbott provides a behind the scenes account of the highs and lows of serving two masters his demanding military commanders on one hand and a voracious press on the other One of his first missions is dealing with a barrage of media questions following the brutal murder of six Royal Military Police by a crazed mob in Majar al Kabir Abbott recalls the adrenalin filled atmosphere when the British garrison at Basra Palace is surrounded by a crowd unleashing hundreds of rounds from their AK 47s It's only after a tense stand to that the nervous troops discover that they are not under attack the crowd is celebrating the demise of Saddam Hussein's sons There are plenty of lighter moments too as Abbott tells stories that fortunately didn't make the news at the time The author admits how criminal thoughts might just have briefly crossed his mind over the tens of millions of dollars flown in by the US government each week and stored feet from his camp bed Above all this is a vivid account of a controversial operation that cost many lives and severely tarnished the reputation of British Prime Minister Tony Blair and US leadership Unconvinced of the merits of military action before arriving in theater Abbott ends his tour in a positive mindset despite the failure to locate WMD His diary is more SOS than SAS with little of the derring do of an Andy McNab adventure Yet it's just as unputdownable More in the tradition of Leslie Thomas Virgin Soldiers it's an honest authentic and often funny read which has the potential to appeal beyond a niche audience There has been no account of the British in Iraq quite like this
