Coin-Operated Laundry: Entrepreneur's Step-by-Step Startup Guide Entrepreneur magazine,2013-04-11 Cash in One Load at a Time The problem with most high profit businesses is that you spend so much time on the job that you have little free time to enjoy the fruits of your labor But coin operated laundries are different They re low maintenance recession proof and you can make as much as 200 000 a year working only part time hours But you have to know what you re doing And with our guide you will You ll get an in depth overview of the industry where its been and where it s likely to go and learn everything you need to know before launching your own self serve laundry business including New ideas for marketing your laundry An expanded section on hiring and training attendants Updated information on card systems Recent advances in laundry equipmen The latest on laws and regulations concerning laundries More ways to combine a laundry with other businesses You ll also get first hand advice from successful coin op laundry owners on how to create an inviting atmosphere that will draw customers in and keep them coming back Clean clothes are a necessity not a luxury People are going to use laundromats no matter how the stock market is performing So if you re looking for an easy to run business that will keep the cash flowing no matter how the rest of the economy is doing you ve found it And while you re at it why not order our Vending Business guide too It makes an ideal companion business and it s a great way to augment your income This kit includes Essential industry and business specific startup steps with worksheets calculators checklists and more Entrepreneur Editors Start Your Own Business a guide to starting any business and surviving the first three years Downloadable customizable business letters sales letters and other sample documents Entrepreneur s Small Business Legal Toolkit

The Complete Idiot's Guide to Low-Cost Startups Gail Reid,2010-03-02 Every dream has to start somewhere With

the shaky economy and unemployment rising more and more people are trying to find alternative ways to start businesses out of their homes But what is the right home grown business What skills are necessary What will it really cost and how much money will it generate All these questions and more are answered in The Complete Idiot's Guide to Low Cost Startups Expert author with over 30 years experience in the area Ways to determine which business is right for you and the most effective to start Great innovative ideas from hi tech service to low tech selling Practical nuts and bolts advice on starting and running the business Solid information about costs financing taxes and organization **The Lawn Care Entrepreneur** Jamie Raines,2015-12-10 A good lawn is very often the central feature of a modern garden whether in town or the countryside It therefore needs much more care and very often extra expert care than many of the other plants in the garden The properly maintained lawn is no longer just an area of grass but the backdrop or canvas for the rest of the garden If the lawn looks good so will the rest of the garden Although this manual has been written with the professional gardener or aspiring lawn care specialist in mind many of the aspects of lawn care within the volume are no more than practical advice which will be of interest and use to both the professional and amateur This manual is business oriented and in fact starts with generic questions about starting up a business plan and focuses down to launching a properly constituted lawn care business It also outlines all the pitfalls of not only being in business for yourself but the implications of employing people as well as all the anticipated issues which can result from contracting It is constructed in such a way that whether you are thinking of starting a lawn care business or whether you are already involved there will be something of use to you Everything is included from how to go about your accounting to making your business legal with even a section on the correct tools to acquire It is written by an experienced gardener who has created a successful lawn care business and who is now passing on his experience by highlighting both the positive and negative aspects of not only working within the horticultural industry but how to go about building a business from scratch The manual is written in a very readable and sympathetic way rather than in a technical and prescriptive style so that it provides both an informal and informative reference source for all professional and semi professional gardeners without ignoring the amateur **Auctioneering Business Start-Up Guide** Mark Allen,2011-12 This how to guide will show you effective techniques to create a profitable auctioneering business even during these uncertain economic times As a result of reading this guide you will learn tips and tricks to help you start your business with minimal investment You will learn how to correctly choose your company's legal structure You will also learn what mistakes new business owners make and how to avoid them If you're interested in earning more money quickly this is the guide for you In addition to time saving tips highly effective marketing ideas and insider business secrets you will also get an easy to understand step by step plan of action that takes away the usual insecurity of starting your own business Get on the road to being your own boss and order today **Lawn Care Business Tips, Tricks, and Secrets** Steve Low,2010-10-19 If you haven't started your lawn care business yet what are you waiting for If you don't start your lawn care business this year
