*Language, Culture, and Communication* Nancy Bonvillain, 2019-03-20 Language Culture and Communication Eighth Edition introduces students to the topics and theories of the broad field of linguistic anthropology by examining the multifaceted meanings and uses of language. It emphasizes the ways in which language encapsulates speakers' meanings and intentions. Through language structure and language use, speakers convey messages about their own identities, their understandings of the world, and their place in it. The book includes discussion of cultural and symbolic meanings conveyed by language and the social and political dimensions of language use. By using data, this book documents both similarities and differences in human language. New to this Edition: Introduction of the theme of intersectionalities and the theme of discourse and texts; Chapter 3: expansion of discussion on the re-examination of linguistic relativity; Chapter 5: expansion of discussion of how social stratification and racial differences can influence the way politeness is interpreted and the contextual expression of politeness; Chapter 6: New section on digital telephone technologies and innovative literacy practices using cell phones; New section on use of social media platforms with national and international statistics and practices; Expansion of Deaf communities and controversy over cochlear implants; Chapter 8: New section on the inclusions and exclusions of Moroccan immigrant children in Spain through communicative interactions and norms; Chapter 9: Expansion of section on race; New section on the covert expression of racist meanings; Chapter 10: New section on gendered speech in Lakota; New section on men's and women's speech in Yanyuwa, Australia; New section on conversational style and the gendering of work places; New section on language and sexuality; Chapter 11: Updates on the distribution of languages worldwide; New section on the development of the American standard; Chapter 12: Expansion of discussion of language and nation building; Expansion of discussion of language shift and language revitalization programs; Chapter 13: expansion of social ideologies and prejudices expressed in public media.

**A Concise Introduction to Linguistics** Bruce M. Rowe, Diane P. Levine, 2018-07-17 Now in its fifth edition A Concise Introduction to

Linguistics provides students with a detailed introduction to the core concepts of language as it relates to culture. The textbook includes a focus on linguistic anthropology, unpacking the main contributions of linguistics to the study of human communication and culture. Aimed at the general education student, the textbook also provides anthropology, linguistics, and English majors with the resources needed to pursue advanced courses in this area. Written in an accessible manner that does not assume previous knowledge of linguistics, this new edition contains expanded discussions on linguistic anthropology, sociolinguistics, including a section on gender and language, and pragmatics. The textbook incorporates a robust set of pedagogical features, including marginal definitions, a substantial glossary, chapter summaries, and learning exercises. Brand new to this edition are suggested reading lists at the end of every chapter and recommended websites and apps to further aid students in their study.

**Sociolinguistics in African Contexts** Augustin Emmanuel Ebongue, Ellen Hurst, 2017-05-11. This volume offers a new perspective on sociolinguistics in Africa. Eschewing the traditional approach which looks at the interaction between European and African languages in the wake of colonialism, this book turns its focus to the social dynamics of African languages and African societies. Divided into two sections, the book offers insight into the crucial topics such as language vitality and endangerment, the birth of new languages, a sociolinguistics of the city, language contact, and language politics. It spans the continent from Algeria to South Africa, Guinea-Bissau to Kenya, and addresses the following broad themes: Language variation, contact, and change; The dynamics of urban, rural, and youth languages; Policy and practice. This book provides an alternative to the Eurocentric view of sociolinguistic dynamics in Africa and will make an ideal read or supplemental textbook for scholars and students in the field, disciplines of African languages and linguistics, and those interested in southern theory or sociolinguistics in the margins.

**Nurturing Language** Gerrit J. Dimmendaal, 2022-11-07. This monograph introduces students and scholars in linguistics, anthropology, and intercultural communication to anthropological linguistics with a special focus on Africa. Among the topics addressed are semantic fields such as kinship or colour terminology, spatial orientation, linguistic relativity, and the link between language and cognition; onomastics; the ethnography of communication; interactional sociolinguistics; emotions; politeness strategies; conversation analysis; and non-verbal communication.

**Linguistic Policies and Practices of Translation and Interpreting Services with Public Institutions** Alexandru Praisler, 2025-05-04. This book addresses academics and students as well as practitioners in the field of translation and interpretation. The topic is relevant for the present-day European context and makes research in the humanities serve societal goals, being likely to confer a proactive role to the academia. The volume comprises a study intended to generate knowledge regarding the procedures currently under way with local public institutions adopted for ensuring efficient communication with and quality services for the international public. The findings gravitate towards the conclusion that in the case of public institutions functioning in minority language-speaking countries, which belong to supranational unions and communities like Romania, a member of the European Union, intercultural dialogue via the Internet

is encouraged and implementation of change is on the way Nevertheless the Internet has brought about new challenges and there remain a number of issues to be addressed and problems to be solved Which is why for comparison purposes the book also considers website translation and localization with public cultural institutions and with multinational companies
