**Convergent Media and Privacy** Tim Dwyer, 2015-10-19 A lot of personal data is being collected and stored as we use our media devices for business and pleasure in mobile and online spaces This book helps us contemplate what a post Facebook or post Google world might look like and how the tensions within capitalist information societies between corporations government and citizens might play out

**The Rhetorical Invention of America's National Security State** Marouf Hasian Jr., Sean Lawson, Megan D. McFarlane, 2015-07-29 The Rhetorical Invention of America's National Security State examines the rhetoric and discourse produced by and constitutive of America's national security state Hasian Lawson and McFarlane illustrate the importance of rhetoric to the expansion of the American national security state in the post 9 11 era through their examination of the global war on terrorism enhanced interrogation techniques drone crew stress activities of Edward Snowden rise of Special Forces and popular representations of counterterrorism The coauthors contend this expansion was not the result of lone imperial executives or a nefarious state within a state but was co produced by elite and non elite Americans alike who not only condoned but also in many cases demanded the expansion of the national security state This work will be of interest to scholars in communication studies and political science

**Jordan and the Arab Uprisings** Curtis R. Ryan, 2018-06-26 In 2011 as the Arab uprisings spread across the Middle East Jordan remained more stable than any of its neighbors Despite strife at its borders and an influx of refugees connected to the Syrian civil war and the rise of ISIS as well as its own version of the Arab Spring with protests and popular mobilization demanding change Jordan managed to avoid political upheaval How did the regime survive in the face of the pressures unleashed by the Arab uprisings What does its resilience tell us about the prospects for reform or revolutionary change In Jordan and the Arab Uprisings Curtis R Ryan explains how Jordan weathered the turmoil of the Arab Spring Crossing divides between state and society government and opposition Ryan analyzes key features of Jordanian politics including Islamist and leftist opposition parties youth movements and other forms of activism as well as struggles over elections reform and identity He details regime survival strategies laying out how the monarchy has held out the possibility of reform while also seeking to coopt and contain its opponents Ryan demonstrates how domestic politics were affected by both regional unrest and international support for the regime and how regime survival and security concerns trumped hopes for greater change While the Arab Spring may be over Ryan shows that political activism in Jordan is not and that struggles for reform and change will continue Drawing on extensive fieldwork and interviews with a vast range of people from grassroots activists to King Abdullah II Jordan and the Arab Uprisings is a definitive analysis of Jordanian politics before during and beyond the Arab uprisings

**The New Class Society** Earl Wysong, Robert Perrucci, David Wright, 2013-07-11 The New Class Society introduces students to the sociology of class structure and inequalities as it asks whether or not the American dream has faded The fourth edition of this powerful book demonstrates how and why class inequalities in the United States have been widened

hardened and become more entrenched than ever The fourth edition has been extensively revised and reorganized throughout including a new introduction that offers an overview of key themes and shorter chapters that cover a wider range of topics New material for the fourth edition includes a discussion of The Great Recession and its ongoing impact the demise of the middle class rising costs of college and increasing student debt the role of electronic media in shaping people's perceptions of class and more

**Managerialism** T. Klikauer,2013-09-05 Most people know what management is but often people have vague ideas about Managerialism This book introduces Managerialism and its ideology as a colonising project that has infiltrated nearly every eventuality of human society

**Governomics** Ian McAuley,Miriam Lyons,2015-05-01 People have good reason to demand decent public education and a well funded health system to yearn for an economy that doesn't trash the environment or for a smaller gap between rich and poor Almost without exception sound economics is on their side We've grown used to public debates that pit people and the planet against an abstract distorted image of the economy but it doesn't have to be this way Governomics shows that an emaciated state is bad for business and that standing up for government means standing up for a public sector that truly serves the public Everybody knows governments are wasteful incompetent and a drag on the economy But if you're not sure that's true read this book Ross Gittins Sydney Morning Herald and The Age Governomics shows that a market economy can only work when sustained by a strong and active public sector It will inject some much needed economic sanity into conversations on the role of government in

**Levees and the National Flood Insurance Program** National Research Council, Division on Earth and Life Studies, Water Science and Technology Board, Committee on Levees and the National Flood Insurance Program: Improving Policies and Practices,2013-07-18 The Federal Emergency Management Agency's FEMA Federal Insurance and Mitigation Administration FIMA manages the National Flood Insurance Program NFIP which is a cornerstone in the U.S. strategy to assist communities to prepare for, mitigate against, and recover from flood disasters The NFIP was established by Congress with passage of the National Flood Insurance Act in 1968 to help reduce future flood damages through NFIP community floodplain regulation

that would control development in flood hazard areas provide insurance for a premium to property owners and reduce federal expenditures for disaster assistance The flood insurance is available only to owners of insurable property located in communities that participate in the NFIP Currently the program has 5 555 915 million policies in 21 881 communities<sup>3</sup> across the United States The NFIP defines the one percent annual chance flood 100 year or base flood floodplain as a Special Flood Hazard Area SFHA The SFHA is delineated on FEMA's Flood Insurance Rate Maps FIRM's using topographic meteorologic hydrologic and hydraulic information Property owners with a federally back mortgage within the SFHAs are required to purchase and retain flood insurance called the mandatory flood insurance purchase requirement MPR Levees and floodwalls hereafter referred to as levees have been part of flood management in the United States since the late 1700's because they are relatively easy to build and a reasonable infrastructure investment A levee is a man made structure usually an earthen embankment designed and constructed in accordance with sound engineering practices to contain control or divert the flow of water so as to provide protection from temporary flooding A levee system is a flood protection system which consists of a levee or levees and associated structures such as closure and drainage devices which are constructed and operated in accordance with sound engineering practices Recognizing the need for improving the NFIP's treatment of levees FEMA officials approached the National Research Council's NRC Water Science and Technology Board WSTB and requested this study The NRC responded by forming the ad hoc Committee on Levee and the National Flood Insurance Program Improving Policies and Practices charged to examine current FEMA treatment of levees within the NFIP and provide advice on how those levee related policies and activities could be improved The study addressed four broad areas risk analysis flood insurance risk reduction and risk communication regarding how levees are considered in the NFIP Specific issues within these areas include current risk analysis and mapping procedures behind accredited and non accredited levees flood insurance pricing and the mandatory flood insurance purchase requirement mitigation options to reduce risk for communities with levees flood risk communication efforts and the concept of shared responsibility The principal conclusions and recommendations are highlighted in this report

**Homeland Security, its Law and its State** Christos

Boukalas, 2014-03-26 This book assesses the impact of post 9 11 domestic counterterrorism policy on US political life It examines political discourse law institutional architecture and state population relations and shows that homeland security is a project with wide ranging implications for democratic institutions and culture These implications are addressed through a novel approach that treats law and the state as social relations and relates developments in law to those in the state and in social dynamics On this basis the book examines the new political representations in counterterrorism discourse especially regarding the relation between the state and the population It examines the form and content of counterterrorism law the powers it provides and the structure and functions it prescribes for the state By focusing on the new Department of Homeland Security and the restructuring of the intelligence apparatus the book assesses the new intelligence led policing

model Finally it examines forms of popular support and resistance to homeland security to discuss citizenship and state population relations The author concludes that homeland security has turned the US into a hybrid polity the legal and political institutions of democracy remain intact but their content and practices become authoritarian and exclude the population from politics These legal and political forms remain operative beyond counterterrorism in the context of the present economic crisis They are a permanent configuration of power This book is an indispensable companion for students of counter Terrorism and Security Studies Politics Human Rights Constitutional and Criminal Law American Studies and Criminology
