CAUTION:

- This manual is prepared to assist experienced personnel in the operation, maintenance, and/or programming of Mazak machine tools, and is not intended to be used as a teaching document.
- All Mazak machine tools are engineered with a number of safety devices to protect personnel and equipment from injury or damage. Operators should not, however, rely solely upon these safety devices, but should operate the machine only after fully understanding what special procedures to take by reading the following documentation thoroughly.
- Do not attempt to operate or perform maintenance/repairs on the machine without a thorough understanding of the actions about to be taken. If any question arises, consult the nearest Mazak service center for assistance.
- Certain covers, doors or safety guards may be open or removed to expose moving machine components. These items must be in place before operating the machine. Failure to comply with this instruction may result in serious personal injury or damage to the machine tool.
- This manual was considered complete and accurate at the time of publication; however, due to our desire to constantly improve the quality and specification of all Mazak products, it is subject to change or modification.
