McKay Ap Euro Study Guide:

AP* European History Student Workbook for Use with McKay's A History of Western Society+ 12th Edition for the AP* Course David Tamm, 2019-08-16 Barron's 5 Steps and the others are great resources for reviewing at the end of the year but Tamm's Textbook Tools workbooks accompany students all year long. They are filled with assignments that follow the regular text throughout the year all 30 chapters. They can also be used as reviews. All you need is the textbook physical or online. Teachers can copy at will and parents can use the book as a student consumable. The rationale for having this workbook is that publishers now put so much of their extra content online traditional classwork is left lacking. No matter if the textbook itself is written in ink or electrons many students still find it valuable to write and keep notes for themselves on paper and portfolios still matter. The activities in this workbook challenge students to apply the concepts give examples diagram every chapter and think things through with the authors.
