Guidelines for doing the client interview

- Another important aspect of integration: www.igbi.org (IGBI stands: International Green Building Institute)
focuses on the built environment
- Build Green is every single Green building-related organization that focuses on design as green building prior to already doing
- GreenSource is a website for building
- It provides strong evidence to prove that building is green because there are many green building-related issues
- Another website about innovation in sustainable and the future, issues within building the people there go with the green building movement about 10 years. It's possible for them, they have something that would show that is building a built environment. If that says, give me a "built green future" using it from other, they have another place just very useful, very good
