Spanish recipes for everyday cooking Alfonso López Alonso, More than 100 easy recipes based on Spanish and Mediterranean cuisine for a healthy and diverse diet This book brings together the best dishes from recetasderechupete.com one of the most popular recipe blogs in Spanish This title features 107 easy recipes with step by step instructions colour photos of every recipe and lively personal anecdotes

FOREWORD I could tell you that this is a wonderful book I could also tell you that this book is full of marvelous recipes illustrated with mouthwatering pictures which would make you dream of savoring these dishes one day I could comment on how well explained all the tricks and techniques needed to cook these recipes are I could do all this and I would not be lying But instead I rather talk about the author A guy I liked from the minute I met him He is full of good vibes and has always helped me and other gastro bloggers in every way he could Alfonso is one of those odd people who likes everyone who does not fit the stereotype of a cautious Galician since he is bold and direct and on top of everything he is no dummy I also deeply admire him for creating one of the best blogs in Spain Recetas de Rechupete You might be thinking that you couldn't care less about all this and that the personal qualities of the author are not necessary when judging the recipes in a cookbook This could be true about a conventional cookbook but never about a blogger's cookbook The main value in any blog is that it is personal no one else could have written it And when it comes to culinary blogs it is important that they reflect the origins experiences tastes and the obsessions of the person that is driving it Both Recetas de Rechupete and the book are 100% Alfonso they ooze earnestness and frankness simplicity closeness but above all the good food enthusiasm put into it by the author I would love to have my own Alfonso preparing all these meals for me enjoying his conversation But since this is impossible at least until the electronic author is invented I will just have to resign myself to having the book in my computer and reverting to it every time I am in the mood for an everyday meal

There is a lot to know about cooking more than can be learned in a lifetime, and for the last 20 years we have been eager to share our discoveries with you, our friends and readers. The *Cook's Illustrated Cookbook* represents the fruit of that labor. It contains 2,000 recipes representing almost our entire repertoire. Looking back over this work as we edited this volume, we were reminded of some of our greatest hits: from Foolproof Pie Dough we add vodka for an easy-to-roll-out but flaky crust; innumerable recipes based on brining and salting meats; our Brined Thanksgiving Turkey in 1993 launched a nationwide trend; Slow Roasted Beef, we salt a roast a day in advance and then use a very low oven to promote a tender, juicy result; Poached Salmon, a very shallow poaching liquid steams the fish instead of simmering it in water and robbing it of flavor; and the Ultimate Chocolate Chip Cookies, we brown the butter for better flavor. Our editors handpicked more than 2,000 recipes from the pages of the magazine to form this wide-ranging compendium of our greatest hits. More than just a great collection of foolproof recipes, the *Cook's Illustrated Cookbook* is also an authoritative cooking reference with clear, hand-drawn illustrations for preparing the perfect omelet, carving a turkey, removing meat from lobsters, frosting a layer cake, shaping sandwich bread, and more. 150 test kitchen tips throughout the book solve real home cooking problems such as how to revive tired herbs, why you shouldn't buy trimmed leeks, what you need to know about freezing and thawing chicken, when to rinse rice, and the best method for seasoning cast iron. You can even run it through the dishwasher. An essential collection for fans of *Cook's Illustrated* and any discerning cook. The *Cook's Illustrated Cookbook* will keep you cooking for a lifetime and guarantees impeccable results.
