*To create the overall numbers, components 01 and 04/05 are weighted to give marks out of 100. This year, because of the removal of component 010 for June 2020 only, all components in the qualification are now weighted. Therefore, all other grades (3, 4, 5 and 6) are weighted. The raw component boundary marks do not produce whole numbers and when rounded, these do not add up to the total award boundary mark.
