*Aeronautical Information Manual* Federal Aviation Administration, 2019-03-05 This PRINT REPLICA contains the FAA Aeronautical Information Manual AIM Basic with Changes 1 2 and 3 dated 28 February 2014 This is Book 2 This is a very useful reference book that is normally printed in a small format 6 by 9 inch and can be difficult to read We decided to print this a full 8 1 2 by 11 inches so the text is much larger It is a print replica so the content is unchanged only larger However there were two big changes in format which will hopefully make the book more useful First of all we broke it into two books Book 1 contains Chapters 1 thru 5 and Book 2 contains Chapters 6 thru 10 Some people won't need both books The other change is where the explanation of changes is located Normally the Explanation of Changes is located at the very beginning but we doubt it gets much use so we relocated that to the very back of Volume 2 We hope you find this more useful than a
