Fahrenheit 451 Multiple Choice Exam:

Fahrenheit 451 - Literature Kit Gr. 9-12 Chad Ibbotson, 2016-01-01 Get drawn into a dystopian world to witness the struggle between one's self and their society. Students imagine what themes might be present in a dystopian future as perceived during the early 1950s. Predict what will happen to the woman whose books were hidden in the attic. Complete a paragraph from the novel with their missing vocabulary words. Answer multiple choice questions about the character Faber. Students reflect on the women's discussion of the two presidential candidates and whether a person's name and appearance plays any factor in today's politics. Depict an alternate reality where Beatty and Montag join forces concerning their interest with books and the information they contain. Aligned to your State Standards and written to Bloom's Taxonomy. Additional crossword, word search, comprehension quiz, and answer key are also included. About the Novel *Fahrenheit 451* written by Ray Bradbury is the story of a man's struggle with his society and himself. The story begins with Guy Montag, a fireman charged with the job of burning books that have become outlawed. In this society, books have been deemed to have no value with new media and sports accommodating short attention spans. His struggle begins when he meets his neighbor Clarisse McClellan, a free thinker that begins to open his mind. From there, he soon finds himself stealing the books he was tasked to destroy. Montag's struggle culminates in an attempt to discover the value of books, himself putting him in the very same danger as those he once persecuted. *Excel Preliminary English* David Mahony, 2003 **CliffsTestPrep Praxis II: English Subject Area Assessments (0041, 0042, 0043, 0048, 0049)** Diane E. Kern, 2011-11-30 A veteran hockey writer takes on hockey culture and the NHL, addressing the game's most controversial issue: Whether it's on-ice fist fights or head shots into the glass, hockey has become a nightly news spectacle with players pummeling and bashing each other across the ice like drunken gladiators. And while the NHL may actually condone on-ice violence as a ticket draw, diehard hockey fan and expert Adam Proteau argues against hockey's transformation into a thuggish blood sport. In *Fighting the Good Fight*, Proteau sheds light on the many perspectives of those in and around the game with interviews of current and former NHL stars, coaches, general managers, and league executives, as well as medical experts. One of the most well-known media figures on the hockey scene today, famous for his funny, feisty observations as a writer for the *Toronto Star* and *The Hockey News*, and commentator on CBC radio and TV, Adam Proteau is also one of the few mainstream media voices who is vehemently anti-fighting in hockey. Not only is his book a plea to the game's gatekeepers to finally clamp down on the runaway violence that permeates the sport, even at its highest level, he offers realistic suggestions on ways to finally clean the game up. Includes interviews with medical experts on head injuries and concussions, as well as with other members of the media. The author not only wages an attack on the value of fighting in hockey but also on the establishment hockey culture. Covering the most polarizing issue in hockey today, *Fighting the Good Fight* gives hockey fans and sports lovers everywhere a reason to stamp their feet and whistle at a rare display of eloquence and common sense. WebCatUpdater Profile_5 1326742169646 *Fahrenheit 451* Shelly
